> In accordance with an established and approved custom and as governor of the state of Michigan, I hereby designate Thursday, the 26th day of November next, to be a day of Thanksgiving.

Providence has greatly favored us in the year that is now closing.

Fruitful harvests have rewarded the labors of our people and the blessings of health and peace have followed us as a nation.

No calamity has befallen the people, the laws have been obeyed and good order has prevailed. Recalling these reasons for happiness and content, it is especially appropriate that the people lay aside all secular employment for that day, and meeting in their respective places of worship, and in such ways as may seem to them most fitting, manifest their gratitude for the many benefits Mayor Solomon exhibited to us a the year has yielded. Nor should merchaum pipe on the train one day we be unmindful of our own obligation to those who suffer from poverwhich cost \$100.00. We also compared all other vouchers with his ballance sheets that we find the ; amount as below set forth to be correct. ' The following is the account, viz:

Copy of Treasurer's account. Your Board will perceive by the account that the Treasurer has made payments amounting to \$55,178.77, and that Lhis receipts from all sources were \$56.847 during which financial year, an access of receipts over disbursements of \$1668.93. 'This makes the credit ballance of the county stand thus:

ports that about \$2,500 stands to the redit of the fund for general county

Your committee gave the County 'Treasurer credit for \$34.84 delinquent taxes paid to the treasurer of Au Sable township, the vouchers for which payment has not been returned to the Treasi arer by said township treasurer. It will The in the recollection of your honorable Board, that at our last annual meeting the Prosecuting Attorney was directed put in force the judgement against the sareties of Robert Merrick, ex-County Treasurer, for \$2,393.53, balance found due the county, and also for the costs and interest subsequently together with costs and interest due the county. 15 bonds issue of July 1, '86 of \$500 each... \$7,500 ononds issue of Sept 1, '87 of \$500 each... 10 000 only bonds due thec. 30 h, '86....... 5,000 in a doc 12,000 authorized to be borrowed Oct. '90 ...... 1,000

Total .....\$23,560 We find that 5 of the above bonds mounting to \$2,500 fall due Mar. 1, '92. Your honorable Board should make provision for payment of this amount. We "ecommended that the County Treasurer h instructed to repay the \$1000, borrow-, od as above at as early a date as practic-, able, and thus making a saving of inter-

est thereon, The county Treasurer has re nest d sacr committee to make provision til

receipts come in on 1891 taxes. Your committee recommend that your honorable Board do empower the Treasurer of the county to borrow such a sum

of money not exceeding \$2000 for inci-
