### County Treasurer.

For the important office of county treasurer the democrats present a candidate in the person of Thomas J. Armstrong, of Tawas City. Mr. Armstrong was born in Wentworth county, Ont., July 22, 1855. He came to Michigan 23 years ago and settled in Tawas City 11 years ago, where he has since resided. During those eleven years he has been one of the respected residents of the city. He is a blacksmith by trade and followed that calling for a few years after locating here. Since then he has been engaged in the planing mill and shingle mill business. During his residence here he has built himself a comfortable home, besides attaining considerable other property. The only public office which Mr. Armstrong has ever held is that of alderman, which he filled for several terms to the satisfaction of the entire community. The voters of the county will make no mistake by electing him to the office of county treasurer. The office will receive his personal attention and all who have business there will find him a careful and accomodating official.

### Davidson-Shreves.

A very pretty and private home wedding took place at the residence of Captain and Mrs. W. C. Davidson Monday evening, Oct. 10th, 1898, at 8 o'clock sharp, when their daughter, Miss Minnie, was united in marriage to Mr. Charles Shreves, by the Rev. A. R. Fulford, of the M. E. church. The bridal couple were attended by the bride's sister, Miss Bessie and Mr. Walter Colwell, of Harrisville, Mich., and Mrs. W. C. Davidson, jr. played the wedding march.

The bride was gowned very tastefully in new-blue serge with trimmings of white. A wedding supper and music followed after which the newly wedded couple repaired to their own home, which had been furnished and made ready for their occupancy. With them this highly esteemed and popular young people take the congratulations and best wishes of their large circle of friends.

Mr. and Mrs. Shreves received a large number of useful and handsome presents.—*Grand Marais Leader.*

Mrs. Shreves' many Tawas friends join us in wishing her a happy wedded life.

### A Close Call.

During the heavy storm last week, which drove so many vessels into the harbor, the yacht Commanche was driven ashore in front of T. J. Armstrong's breakwater, and in the heavy sea began pounding on the bar. At noon N. C. Harting and son Richard, in a small boat, attempted to put out another heavy anchor, but were capsized, and boat, anchor, chain and all swamped. They saved themselves with difficulty by catching on to the fore-stays of the yacht as the small boat sank. The yacht continued to drag nearer the breakwater and the spiles in Prescott's boom and threatened to break to pieces. Capt. Small and his crew at the life saving station were notified and promptly responded. By running a line to the outside clump of spiles and by hard work succeeded in pulling the boat off, although it took the nine men of the crew until after dark to get her into the boom in safty, practically uninjured, excepting the pounding and straining and the parting of a few lines. It was a narrow escape and Capt. Small and his men did splendid work.

### Attention, Farmers.

The Hon. Geo. B. Horton, Grand Master of the Michigan State Grange will address the farmers at 3 o'clock, on the afternoon of Tuesday, the 25th, in the court house, Tawas City. Farmers and their wives, sons and daughters, sisters and brothers, are all earnestly invited to come and hear what the Honorable Grand Master of the State Grange wishes to tell you.

In the evening a local Grange will be organized, and following evenings other local Granges will be organized.

Be sure to come. Come all, as it is of the greatest importance to our farmers. \*.\*

### Keep the Meadow Clean.

Briers, bushes and weeds really have no place in the meadows or cultivated fields, and their growth should be carefully kept down. Every farmer ought to have some sort of rotation of crops for his land, and of a kind that experience teaches him is best for his purposes. But even with this from various causes, special work will need to be done from time to time. It is desirable to have the best possible returns from the mowing fields, and as the crop was being secured, it was quite easy to note what particular places or fields needed most attention. There are some portions of the meadows on most farms that are rather difficult to plow and cultivate but yet with proper treatment can be made to produce excellent crops of hay. If these can be made smooth for the harvesting machinery and a good sward secured, they can be kept in condition for a long time with plowing by frequent top dressing of manure.—Ex.

### As to Prosecuting Attorney.

Although the HERALD has opposed the election of Albert E. Sharpe through two campaigns on party principle, it is glad to have an opportunity to give him our hearty support this year on a question that is of vast more importance than that of party. Mr. Sharpe has accepted the nomination on the democratic ticket, not as a democrat, but as a republican. He does so at the earnest solicitation of a large number of voters, regardless of party, who wish to see the affairs of the county run in the interest of people instead of some one corporation. Mr. Sharpe was defeated for renomination in his own party because he insisted in doing his duty as a public official and bring to justice men who attempted to fraud the county and state of their just taxes. This is a year when party politics in Iosco county should be laid aside and men who stand for the rights of the farmers and laboring men elected to office. Men who are the tools of any corporation which attempts to avoid the payment of their just share of taxation should be defeated. The county is now involved in an important tax case. Mr. Sharpe has prepared and conducted the case thus far in the interest of the county and no other man can now take it up and carry it

to a successful termination as well as he. We are satisfied that the taxpayers of this county will see that he has an opportunity to do so.

Milo Eastman,

the democratic nominee for sheriff, hardly needs an introduction to the people of Iosco county having been a resident here for the passed fifteen years. Mr. Eastman was born in New Hampshire in 1839, and at an early age began the occupation of a railroad man. At the beginning of the rebellion he enlisted in the 89th Illinois regiment, which was known as the "Railroad regiment of Illinois." He served through the war and came to Michigan in 1876, and for a number of years held the position of Road Master on the Detroit, Lansing & Northern Ry. He left this position in 1883 and accepted the more responsible one of General Superintendent of The old Detroit, Bay City & Alpena, which position he held until a few years ago. He has since been engaged in the shingle mill business. Mr. Eastman has been highly successful in all his undertakings. He has never been an office seeker, in fact, the only political office for which he ever ran, was that of mayor of East Tawas, and he was elected by a nice majority. He has been a member of the school board for a number of terms and has always proven a faithful officer in the discharge of his duties. As sheriff of the county he would make an officer of which we could all feel proud and no mistake can be made by electing him.

### For Representative.

As a candidate for representative in the state legislature from the Iosco district, comprising the counties of Iosco, Alcona, Ogemaw, and Roscommon, the democrats present a farmer. George C. Anschuetz, is one of the leading, practical farmers of Iosco county. By hard work and strict attention he has been successful in making himself a comfortable and pleasant home. Mr. Anschuetz is an American born German, having first seen the light of day at Saginaw, on August 14, 1856. He came to Iosco county in 1866, at the age of ten years, settling in Tawas township, where he has grown to manhood. He is one of the early pioneer farmers of the county, having been of the very first to believe that agricultural would pay in Iosco county. He has always been found active in the advancement of all causes which would aid in the building up and developing the farming interests of the county, having been one of the officers of the Agricultural society and the Farmers institute society since their organization. In politics he has always been a democrat. He has repeatedly been elected to the office of highway commissioner, justice of the peace and supervisor of his township, the later office in which he is now serving his fourth consecutive term. On the board of supervisor he is conceded by all to be one of the best in the county. He never misses an opportunity to save expense for the county.

If the farmers of this district wish a man in the next legislature who will invariably stand for their rights they will everyone vote for Mr. Anschuetz, as will all other voters of the district.

### For Register of Deeds.

Peter C. Goldie, the nominee for register of deeds, comes from good Scotch stock. He was born in Glasgow, in the year 1842, and came to America with his parents when about one year old. He came to Michigan in 1885, and for several years was the pastor of the Presbyterian church at AuSable. Seven years ago he retired from the ministry, after fifteen years of active service, and settled on his farm in Tawas township, where he has since resided. Mr. Goldie served three years as a member of the county board of school examiners of this county, and also held the office chairman of the township board of school inspectors. He is well qualified for the position of register of deeds and will make a careful and painstaking official.
