About 6 o'clock Wednesday morning a house in East Tawas, owned by Mrs. Will Wood, and occupied by David Emerson, was discovered to be on fire. The fire department responded promptly and the building was saved with slight damage, and it is fully insured. Mr. Emerson had his goods packed ready to move and escaped with a slight loss. The cause of the blaze is unknown.

The sooner a cough or cold is cured without harm to the sufferer the better. Lingering colds are dangerous. Hacking cough is distressing. One Minute Cough Cure quickly cures it. Why suffer when such a cough cure is within reach? It is pleasant to the taste. Dr. G. S. Darling.

Mr. and Mrs. James Hamilton were very pleasantly surprised at their home last Friday night by a number of Mr. H's. Masonic friends and their wives. Cornville's marched in with baskets on their arms. Mr. and Mrs. H. were presented with a very nice silver trimmed carving set. An enjoyable time is reported.

NOT TRUE.

Judge Kelly is Eligible to the Office of Congressman.

T. F. Shepard and other republican speakers and several of the republican newspapers of the district are telling the voters not to vote for Judge Kelly, as he is ineligible to the office of congressman. This is one of the most brazen falsehoods that has been sprung on the voters in recent years. They base their claim on a clause in the constitution of the state, relative to circuit judges, yet we can go to the records of Michigan and that of nearly, if not every state in the union, and find that men who have been circuit judges have been elected to congress and the question of eligibility has never been raised.

There is no question as to Judge Kelly's right to hold the office of congressman, and when his opponents spring such a shameful lie for the purpose of gaining votes for their candidate, it only shows to what desperate straights they are driven. Judge Robert J. Kelly will receive a majority of votes cast on next Tuesday and will represent this district in the next congress notwithstanding that Crump's backers have resorted to the most rotten and corrupt attacks that have ever been known in this district.

Thomas J. Armstrong is making one of the cleanest campaigns for the office of county treasurer that has ever been made in the county.

A VOTE for Albert E. Sharp for prosecuting attorney is a vote for a man who stands for the people's rights and not for any corporation.

A VOTE for George C. Anschuetz for a member of the state legislature is a vote for a man that will represent his constituents and not the interests of any corporation or railroad. Vote for him,

If by their votes the people of this county elect the men who represent a corporation which is now attempting to evade taxation in this county, they should find no fault when they are called upon to pay the expense of law suits to collect these taxes.

If the next house should be republican they would pass the Gage bill to be followed by a monster banking trust—the trust of trusts—which would swallow

not only the business men but the country banks as well. Go to the polls and see that your neighbors do so.

HON. JUSTIN R. WHITING.
Democratic-Peoples-Union-Silver Nominee for Governor.

An Address,

To the democrats of Michigan:

The election of 1898 is one of the most important in the history of the states. Victory is easily within our grasp. We have only to poll a greater proportion of our vote than of our opponents, and we shall be successful. The vote for the democratic candidate for president in this state in 1896 was 15,000 larger than the republican vote for present in this state in 1892, and was greater than any total ever before polled by the republicans of Michigan. There have been many accretions to our numbers from the republican party in the last two years, and many democrats who opposed our ticket in 1896 have returned to their old allegiance. The recruits from these two sources render our party more formidable as they render our opponents far weaker than in 1896. Success is certain if we but put our shoulders to the wheel, and work with a will all together as we did in 1890 when we elected Edwin B. Winans, the governor of glorious memory, and our entire state ticket. The conditions of the two campaigns are very similar. There is again a great and general revolt in the republican party against the head of the republican ticket, and if our party vote holds true to our own superb candidate, we shall elect him as surely as election day dawns.

Let us do everything in our power to bring out the full democratic vote in Michigan, and we shall share in one more victory on the 9th of November.

Faithfully yours,
DANIEL J. CAMPAU,
Chairman.
