DEMOGRATIC VOTES

Hazen S. Pingree is again elected Governor of Michigan.

Republicans Elect the Entire Congressional Delegation,

The Legislature 's Republican by a Large Majority.

The republicans of Michigan were unable to down Pingree last Tuesday although they cut him badly throughout the state. His election is due largely to the democratic votes he received, It is no credit to the democrats who "knifed" as good a man as Justin R. Whiting for a demagogue, and we predict they will see their error before two years roll by. Pingree's majority will be about 65,000, which is considerable more than the balance of the republican state ticket.

Every republican candidate for congress appears to have been elected, even to Crump, who will misrepresent the Tenth district for another two years. He is elected by about 3,000 majority over Judge R. J. Kelly.

In the state senate the republican will have 27 members to the democrats 5. The lower house will stand republicans 92, democrats 8. It i claimed that Pingree controls the legislature, which means the defeat of J. C. Burrows for re-election to the United States. This is one thing the state is to be congratulated on.

IOSCO COUNTY

Remains in the Republican Column by Reduced Majorities.

The Democrats Elect Their Candidate for Presecuting Attorney by a Majority of 209.

RETURNS IN DETAIL. By the liberal use of "dough" the republicans succeeded in electing their entire county ticket, excepting prosecuting attorney, but by greatly reduced majorities. Nearly eyery township and ward outside of AuSable save the day for that party and elect men of their own choice, except in one instance.

Pingree carries the county by about 540, running about 200 ahead of the balance of the state ticket. Crump, for congress, was badly cut in the county. His majority will be about 225, fully 200 behind his ticket. Smith, for state senator, will carry the county by about 280, and Gillam, for the legislature, by about 300.

The returns by cities and townships s given below;

surely, or they wouldn't be here hust-

ling for voter as they have been.

When marine life began to command notice, the question of the depth to which life could extend divided scientific though into warring camps. About 1840 it was generally believed thar the bathymetrical limit was about 300 fathoms, and some strange ideas were current as to the physical condition of water when under a pressure such as a depth of two miles would produce. It was though that skeltons of drowned men or even heavy cannon and the "wedges of gold" that popular imagination places in the sea, floated at certain levels, beneath which is water so compressed as to be inpenetrable. In fact water is almost incompressable, and the weight of a cubic inch of it at the depth of a mile is very little more than at the surface, but it was assumed that no living being could survive a pressure which at 1,000 fathoms is about a ton to the square inch.

We onrselves live under a pressure of about fifteen pounds per irch, and are unaware of it. Indeed we sometimes waken on a morning when the breometer has risen, say, half an inch during the night, and consequently find ourselves sustaining an increased pressure of several tons, not only without suffering, but with a positive feeling of buoyancy and good spirits. On the other hand, if the tremendous pressure under which we live be relieved as by a surgical "cup," severe injury may follow. Aeronauts suffer from this cause and marine animals dredged from greatdeapth often reach the surface in a most lamentable condition with eyes protruding and yiscera distended .- North American Re.

LUTHERAN SYNOD

Held its Annual Meeting in this City.

During the past week our city has been honored by the annual meeting of the Michigan District Synod, of the general synod of Wisconsin, Minnesota, Michigan and other states. About twenty-five ministers and delegates were present and a most profitable meeting was head.

The sessions were opened in the Ev-Emanuel Lutheran school building, Thursday morning, Nov. 3, at 10.30, by an address by Prof. Aug. Ernst, director of the Northwestern University, and president of the General Synod, of Watertown, Wis.

Thursday afternoon Rev. J. Klingmann, of Ann Arbor, president of the Michigan District Synod, gave his annual report of the work done during the past year.

President Ernest, of the General Synod, gave a report of the condition of the various institutions of the general body, including the Northwestern University, the Theologian Institution, of Milwaukee, and the Teachers' Institution, at New Ulm, Minn., all of which were of the most satisfactory nature.

Friday morning Rev. A. Moussa, of Manistee, began an essay on "Original sin," which continued through the forenoon sessions of the entire meeting, and was of unusual interest,

Friday afternoon, Rev. R. Kretzchmar, pastor of Christ Lutheran church, of St. Louis, Mo., and a member of the committee on Negro Missions in the south, gave his report of the work being done by that missior and urged the synod to continue their aid in this direction.

Friday evening a ministerial meeting was held.

Saturday afternoon the reports of the several committees were received and acted upon.

Sunday morning the service of Holy communion was held, which was followed by an eloquent sermon on "The Gospel of Sunday," by Rev. A. Hasse, of Bay City.

Sunday afternoon Rev. R. Kretzchmar, of St. Louis, Mo., addressed the united congregations of the two Lutheran churches of this city, on the Negro Missions. The church was filled to its capacity and the address was well received.

The election of officers was held Monday afternoon, and resulted in the following selection:

President-Rey. J. Klingmann, Ann Arbor.

Vice President-Rev. P. Kionka, Owosso.

Secretary-Rev. K. Bast, Monroe. Trustees-C. Goedicke, Tawas City; F. Stromer, Bay City, and the Presi-

Delegates to the General Synod, which meets at Columbus, Wis., next year, were elected as follows. Rev. A, Moussa, of Manistee; alternate, Rev. J. Klingmann, of Ann Arbor.

The next meeting of the Michigan District Synod was called to meet at Northfield, Mich., the first week in October, 1899.

The closing sermon was delivered Monday evening by Rev, F. Soll, of Monroe.

After the closing session Monday evening the most pleasing feature of the meeting was the surprise carried out on Rev. John Karrer, the popular pastor of the Ev. Emanuel church, of this city, in honor of his 32d birth day, which occured yesterday. After he had retired to the parsonage, he was sent for to come to the school building, and upon his arrival was completely "paralized" to find a large number of his congregation, and the visiting delegates assembled, and an elaborate banquet prepared. Like a good pastor he made the best of it, and a most enjoyable evening was

The following ministers, who are members of this synod were present; J. Klingermann, of Ann Arbor; C. Bast, of South Haven; F. Soll, of Monroe; P. Kionka, of Owosso; F. Fischer, of Northfield; A. Moussa, of Manistee; C. Auerswaldt, of Ludington; W. Behrendt, of Benton Harbor; delegates were also in attendance: F. L. B. Zorn, Monroe; Victor Burk, kow, Owosso; F. Stromer, Bay City;

C. Goedicke, Tawas City, and Leppel, Monroe.

The following gnests of the Synod were also present: President Ernst, of Watertown, Wis.; Rev. R. Kretzchmar, of St. Louis, Mo.; Rev. A. Haase, Bay City; Rev. C. L. Wuggazer, Tawas City.
