The opening number of the Tawas City entertainment course, billed for next Tuesday evening, has been postponed owing to the illness of Geo. Wood Anderson, who was to lecture on "Bald Heads, Outside and In." The lecture bureau informs Prof. Ellsworth that a later date will be arranged for. It is considerable of a disappointment to a number of our bald headed citizens as they had reserved a front seat for the occasion and had been polishing their pates to make a good showing.

"The business of the Detroit & Mackinac is growing rapidly. The last report from General Supt. Luce states that it is difficult to get cars enough to move it" said President J. D. Hawks. "Of course there are a great many sugar beets moving, and we have to haul the beet stone as well. There is one interesting fact, and that the Detroit & Mackinac now carries in a week more live stock than it did before in a year. On my last trip over the road I visited the country away from the line and was surprised to see how it is being settled up by farmers. They are a thrifty and good class."—Bay City Times.

C. V. Hicks, Domestic Machines, Al. McKrae Drowned.

Word was received here yesterday afternoon from Capt. Davis, of the schooner Durkee, that Allen McKrae, son of Mr. and Mrs. Alex. McKrae of this city had been drowned.

From the information at hand it seems that the Durkee left Sebewaring early yesterday morning with a number of young men from the Tawas, who had been helping Capt. Davis harvest sugar beets. When about six miles out from this port, Al. fell overboard.

After an effort to recover the body Capt. Davis returned to Sebewaring and notified the relatives here of the accident. John B. King, brother-in-law of the unfortunate young man left last evening for that place.

This is the second bereavement of this kind to befall this family within a year. Another son, Dan, dying in the Philippines on last Christmas.

## A Horrible Tragedy.

Dr. E. W. Light a prominent dentist of Saginaw, committed suicide Sunday night at his home, after fatally shooting his wife and daughter, Ruby, aged 18.

The tragedy was not discovered until noon Monday when R. B. Taylor, of Bay City, alarmed by a letter written by Dr. Light Sunday, went to Saginaw and with a neighbor, entered the residence.

Mrs. Light was found weltering in her blood on a bed with a bullet through her head, but she was not quite dead. She was removed to the hospital and died Tuesday without recovering consciousness. The daughter escaped in her night dress, as far as the kitchen where she was shot down and killed right at the door. Dr. Light returned upstairs and committed suicide by taking carbolic acid.

He left letters behind in addition to that to Mr. Taylor, in which he confesses the intended crime, and asks that no inquest or post mortem be held; that the bodies be not taken from the house until the funeral, and threatening insanity to those who acted contrary to his wishes. It was stated in his letters that he felt insanity coming on and that he dreaded being shut up and leaving his loved ones unprotected.

The sad news came as a shock to the many friends of the family here, where they were quite well known, having spent much of the summer here for several years past.

Beneath the Wheels.

About 4:30 last Monday afternoon, occurred what is one of the most sad and heartrending fatalities that has ever happened in our city. Irma, the little fifteen month-old daughter of Mr. and Mrs. Julius Musolf, who reside near the D. & M. car shops, got out of the yard and wandered onto the track. Engineer Herb Luce with switch engine 12, backed out of the switch and not seeing the little one, ran over it, crushing its life out. The mother had missed the child but a moment and going to the door saw it on the track and the approaching engine but was unable to reach the little one or attract the attention of the engineer in time to prevent the accident.

The funeral was held from the Zion Lutheran church Wednesday. The bereaved parents have the deepest sympathy of the entire community in their hour of sadness and trouble.

Suit For Damages.

Suit for \$10,000 damages against the Detroit & Mackinac railroad was commenced in the circuit court this morning by declaration, the complainant being William Jenkinson, administrator of the estate of John Jenkinson, through his attorneys, Pulver & Smith, of Caro.

According to the declaration John Jenkinson boarded a Detroit & Mackinac train at AuSable, March 27, 1903 last, to come to Bay City; that he was intoxicated; that his fare was paid; that he fell asleep after getting on board; that one mile south of Tawas City the conductor caused the train to stop and put Jenkinson off; that in walking back to Tawas in the dark, Jenkinson fell off a bridge over the river and met his death. The plaintiff charges carelessness on the part of the railroad company.—Bay City Times.

To the Honorable Board of Supervisors of Isosco County:

Gentlemen—At a previous meeting of your honorable body you appropriated the sum of two hundred dollars to provide a county exhibit at the state fair at Pontiac, held in September the present year. The amount named was placed in the hands of the executive board of the county agricultural society and used in the most economical and judicious manner as shown by the report of the executive board by its secretary, and we believe with great good to the county at large.

There remains in the hands of the treasurer unused a balance of \$34.35. Owing to the inclement weather during the week of the Isosco county fair, the attendance was very light and the receipts totally inadequate to meet expenses by about two hundred dollars, with no funds on hand to meet such indebtedness. We therefore respectfully request that the balance on hand will be allowed to remain with the executive board by appropriation or otherwise, in such way as your honorable body may seem most desirable to assist the county board in paying the indebtedness as above stated.

For which we ever pray,  
John Preston, President,  
L. J. Patterson, Secretary,  
Wm B. Kelley, Treasurer.

Executive board Isosco agr'l society,  
Referred to judiciary committee, they to advise with pros atty as to legality of action asked.

Tawas City, Mich., Oct. 17, 1903.

Moved by Anschutz supported by Armstrong that county treasurer be authorized to transfer two thousand dollars (\$2,000.) from the general fund of the county to the poor fund. Yeas 21, nays—Dutton—1.
