All teachers who attended the State Teachers Association at Battle Creek unite in saying that it was the best meeting ever held in Michigan. There met the teachers, school board and commissioners, superintendent of public instruction and the entire corps of the department. The total attendance was about 7000. So well pleased were the teachers of the state with excellent entertainment that they voted to return there in 1907.

WARD SCHOOL.

Stella Kovige is seriously ill with pneumonia.

Fred Colburn caused another tardy mark in the fourth grade.

Arthur Steinhurst re-entered the fifth grade Wednesday.

"The Indian carried a tomahawk, it was his trade mark." Third grade story about "Indians."

Luanna Kulazewski ranked one in the fourth grade, Grace Laidlaw in the fifth grade and Lois Shivas in the sixth grade. The same three girls ranked one in September.

NORMAL DIXIE.

The prayer of the righteous availeth much.

Some people looked sleepy Monday morning. We wonder why.

The coming teacher must be enthusiastic. Get into the band wagon.

We have made the acquaintance of the tenton family, in-tention, at-tention and re-tention.

Misses Mabel Lintz and Clara Larmer spent Saturday and Sunday at their respective homes in Rose City.

There was a vacation in the normal department Friday Oct. 26. All the teachers were attending the State Teachers Association at Battle Creek.

A Year of Blood.

The year 1903 will long be remembered in the home of F. N. Tacket, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tacket's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a frightful cough had brought me near at death's door when I began taking Dr. King's New Life Pills for Consumption, with the astonishing result that after taking four bottles I was completely restored and as time has proven permanently cured." Guaranteed for sore lungs, coughs and colds, at G. S. Darling's and J. M. Wuggazer & Co.'s druggists. Price 50c and \$1.00. Trial bottle free.
