He assumes his new duties next Monday. Hal is a hustler in his line and we wish him success in his new field.

The Herald is the advertising medium of this section. It is conceded to be the only paper in Iosco county that reaches all sections of the county and is read by all classes. Its circulation exceeds that of any two papers circulated in this county. If you want your fall and holiday advertising to reach the people place it in these columns.

Stock in the Bell Telephone Company, now worth hundreds of dollars, was once so cheap it couldn't be given away, and the price of the Herald one year and the Farm Journal five years, both together, is only \$1.50 until December 31st. This offer expires December 31st. Wake up!

Running a newspaper is just like running a hotel, only different. When a man goes into a hotel and finds something on the table that does not suit him, he does not raise hives with the landlord and tell him to stop his old hotel. Well hardly. He sets that dish to one side and wades into the many dishes that suit him. It is different with some newspaper readers. They find an article occasionally that does not suit them exactly and without stopping to think it may please hundreds of other readers, make a grand stand play and tell the editor how a paper should be run and what should be put into it. But such people are becoming fewer and fewer every year.

The affairs of the banking firm of Carson, Ealy, & Co., two members of which firm are deceased, have been reorganized and new members taken in. The banks in this city and East Tawas will, beginning next Monday, be owned and controlled by Ealy, McKay & Co., Lloyd G. McKay having become a member of the firm, and will continue as manager and cashier. The new firm retain all the stability of the old, having an individual responsibility of \$1,000,000, and are among the most solid and responsible financial institutions in the state. Cashier McKay informs us that the new firm will build a new bank building in this city next spring.

Another fatal railroad accident occurred Tuesday evening. As the work train was backing down the Gates' branch the way car collided with a flat car loaded with mine props, which tumbled from the car knocking Louis Weobliiski and Will Quigley from the platform. Weobliiski fell under the wheels and his body was cut in two. Quigley had a leg severed and the other one and one arm broken. The remains of Mr. Weobliiski, who was foreman on the train, were brought to his home at East Tawas. Brakenan Quigley was removed to Rose City for medical treatment, and we understand he has a fair chance for recovery.

THE ELECTIONS.

MICHIGAN ELECTS REPUBLICAN STATE TICKET BY ABOUT 90,000

County Re-Elects Old Officers by Reduced Majorities.

The lightest vote in years was polled at the general election in this state last Tuesday. The result was the election of Gov. Warner and the entire state ticket by about 90,000 majority. The republicans also elected the entire 12 congressmen from the state. The state senate is also solidly republican, in the lower house the democrats have elected five members. Two years ago both houses were solidly republican.

In Iosco county the conditions were such that had the democrats had any organization and made a good canvas they would have elected at least a portion of their county ticket, but as it was the majorities were greatly reduced. The apparent republican majority was about 500.

Warner ran about 75 behind his ticket, carrying the county by 426. Secretary of State Prescott had the largest majority, 577. For state senator A. C. Carton had a majority of 526, and for representative John McCarty had 439. On the county ticket E. A. Crandall for register of deeds had the largest, 548. County Clerk Mark had 438. For treasurer H. D. Stockman had 230, while Sheriff Curry pulled through by only 63. Edwin Rawden for prosecuting attorney and A. W. Black for circuit court commissioner were elected without opposition. John Armstrong and C. N. Gagnier, for coroners and H. M. Belknap for surveyor were about even with the ticket.

The contest between Charles Curry and Warren P. Vaughn for the office of sheriff was the closest contest for years. In AuSable and Oscoda where the normal republican majority was about 250 Vaughn came out with 191 majority carrying every ward in AuSable and AuSable and Oscoda townships.

Charles N. Dimmick the candidate for county treasurer made a big run in the southern part of the county, cutting his opponent's majority by more than one half. He carried East Tawas by 22 and Wilber by 16.

H. J. Featherston for county clerk also made a good run reducing the normal majority considerably. He carried his own town, Plainfield, by 45 majority, which is usually republican.

The democrats elected William B. Thompson mayor of Detroit by 2,500 majority. Burns democratic candidate for sheriff and Robinson democratic candidate for prosecuting attorney of Wayne county, were also elected.

In New York Hughes defeated Hearsby, by about 50,000 majority, while the remainder of the democratic ticket was elected by safe majorities.

The democrats have made large gains in county officials throughout the state.

Minnesota re-elects Johnson, democrat, governor by over 40,000, and also elects the democratic candidate for secretary of state. Balance of state officers republican.

The democrats redeem Missouri, making a clean sweep.

Indiana goes republican by a greatly reduced majority and the democrats gain one congressman.

James Higgins, democrat, was elected governor of Rhode Island.

Gov. Guild, republican, was re-elected in Massachusetts over John B. Moran by nearly 32,000.

The fight in New Hampshire is very close with prospects that the election of governor will have to be decided by the legislature.

Illinois gives about 50,000 republican majority, but the democrats gain five congressmen.

The democrats carried the new state of Oklahoma by a large majority and will have 82 out of 112 delegates of the constitutional convention.

Whittemore certainly ought to feel proud.

NORMAL DIXIE

We would like to know if brooms are used for danger signals or for flagging trains.

The normal girls had a very interesting lesson on the porcupine Monday morning having one for inspection.

The old saying, "the early bird catches the worm," has been changed by the normal girls to, "the early girl catches the janitor."

We visited Miss Bradley's room in Laidlawville yesterday. We found the building to be brick heated by a soft coal burner and furnished with all the modern appliances. The teacher was full of enthusiasm and thoroughly interested in her work. The pupils had their lessons well learned and seemed to be unembarrassed by the presence of visitors. On the whole we consider the Laidlawville school almost a model school and are proud of the fact that Miss Bradley was once a normal student.

Wants to Know.

Hale, Mich., Nov. 6, 1906.

Tawas City.

Dear Sir:—Enclosed you will please find a copy of a letter from the attorney general's office that I received on Oct. 26th, which I wish to have you publish in your paper, as I wish to call the attention to the same of all of the school directors of such districts in the county, that have used the incidental funds of the district to pay for an indemnity bond for their treasurer, and I respectfully ask each and every director in the county who have done so through the advice of Superintendent Kelly to write me at Hale, as I wish to gather enough evidence together that will warrant the attorney general to order an investigation of the department of public instruction.

Respectfully,
E. V. ESMOND.

STATE OF MICHIGAN

ATTORNEY GENERAL'S OFFICE

Lansing, Mich., Oct. 25, 1906.

Mr. E. V. Esmond,
Hale, Michigan.

Dear Sir:—Your letter of the eleventh instant received and contents noted; also circular and letter from the superintendent of public instruction.

In reply thereto would say that it is the opinion of this department that it would not be a lawful expenditure of the funds of the school district for the district to authorize and pay the expense necessary to secure a surety bond for the treasurer of the district. Respectfully yours,
JOHN E. BIRD,
Attorney General.

A Year of Blood.

The year 1903 will long be remembered in the home of F. N. Taeket, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Taeket's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a frightful cough had brought me near at death's door when I began taking Dr. King's New Discovery for Consumption, with the astonishing result that after taking four bottles I was completely restored and as time has proven permanently cured." Guaranteed for sore lungs, coughs and colds, at G. S. Darling's and J. M. Wugazer & Co.'s druggists. Price 50c and \$1.00. Trial bottle free.

MORTGAGE SALE.

Now, therefore, notice is hereby given that the premises described in said mortgage will be sold at auction under the power of sale contained in said mortgage on the eleventh day of December, nineteen hundred and six, at three o'clock p. m., at the east door of the court house, in Tawas City, Michigan, said premises being described as follows:
