Geo. A. Morris returned this morning from Ann Arbor, where he went some weeks ago for treatment for appendicitis. He was operated on and is practically fully recovered.—*Onaway Outlook.*
For Sale—Henry McLeod offers for sale forty acres of land in Plain field township, seven acres improved; also one gelding, weight about 12 pounds. Enquire of Malcolm McLeod, Tawas City, Mich.
The New Gaylord hotel at Gaylord was destroyed by fire last Thursday night entailing a loss of \$19,000. Samuel Goldstein, a junk dealer, whose home was in Bay City, was burned to death. The other inmates had narrow escapes.
The residence of William Ellis, at Island lake, was destroyed by fire last Friday, together with all its contents. The origin of the fire is unknown. The loss is a severe one on Mr. Ellis, as it includes all household goods and the family's supply of provisions for the winter.
Easter will come early this year, falling on March 31, and all of the other days in connection with it are correspondingly early. Palm Sunday comes on March 24 and Good Friday on March 29. The first Sunday in Lent is February 17 and this makes the social season quite short.

Card of Thanks—We desire to extend our heartfelt thanks to the friends for the kindness and sympathy extended us in our bereavement in the death of our little son, Myron, and especially do we wish to thank the teachers and pupils of the school.
MR. and MRS. WM. YAX.
Arrangements have been made with the Presbyterian Sunday school of East Tawas, for the presentation in this city of the cantata which received such favorable comment when presented in their home city a short time ago. It will be given at the Congregational church next Monday evening. No admission will be charged, but a collection will be taken to assist in purchasing music for future use. A cordial invitation is extended to everyone to come out and enjoy this treat.
The saloon owned by Frank Trudell, at South Branch, was destroyed by fire early Wednesday morning, and two woodsmen, John Darby and Frank Carr, were burned to death. The building was a one story frame, with the saloon in front and a pool room in the rear. The origin of the fire is unknown. But little is known of the two men who lost their lives, but it is said that Carr's parents live near Durand. The men were sleeping in the building and when the fire was discovered there was no opportunity to rescue them. Mr. Trudell had purchased the saloon of Joe Martindale but a few months ago. His loss is about \$1000.

Married, at the home of the bride in this city, on Monday evening last, Mrs. Jessie Webster and Charles T. Thornton, of Prescott, Rev. N. Dickey officiating. The Herald unites with the many friends of the happy couple in extending congratulations. They will reside on Mr. Thornton's farm near Prescott.
Rev. E. W. Faris Holler, who went to Ottumwa, Iowa, to spend the holidays, surprised his congregation by forwarding his resignation as pastor of the Presbyterian church of this city, instead of returning here as was expected when he left. We understand that his reason for resigning was the poor health of his aged mother. During their short residence in this city Rev. and Mrs. Holler made a large circle of friends who regret that they will not return.
This city has been paying for electric light service for the past year and more, and as yet it has not had one month of satisfactory service. The users of commercial lights are never sure of lights when night comes, and as far as the street lights are concerned they are not in service one-half of the contract time. The Herald has never made a kick, hoping that the matter would finally be adjusted satisfactorily, but there appears to be no immediate prospect of improvement, and we feel that it is time the city council either force the carrying out of the present contract or terminated it and made other arrangements for the running of the plant. That the commercial lighting is not paying the expense of running the plant is largely due to the fact that the service is not satisfactory. The consumption could be largely increased if a good service was given. It is not our desire to be unfair with anyone, but it is certainly time that something was done.

Annual Meeting.
The annual meeting of the Iosco County Agricultural Society was held at the court house last Monday afternoon, and was attended by twenty-four members. The regular routine of business was transacted, including the annual report of the officials. The society is slowly improving as shown by the reports.
A committee of the East Tawas W. C. T. U. were present and presented a protest against the sale of liquor at the annual fair, charging that a number of the stands sold liquor. The was accepted and the society voted that the officers make a special effort to prohibit further occurrences of this kind.
The election of officers resulted in the election of N. C. Hartingh as president to succeed John Preston, who has held that position for the past ten years, and who has been a most efficient and faithful official, and owing to his efforts many of the tangled affairs of the early history of the society have been straightened out. Mr. Preston refused to again accept an election. The only contest of the meeting was for the office of treasurer, the names of the present efficient treasurer George W. Mount and that of C. R. Jackson, of East Tawas being presented. Mr. Mount was elected receiving 17 votes to seven for his opponent. The officers elected are:
President—N. C. Hartingh.
Secretary—Charles T. Prescott.
Treasurer—George W. Mount.
Directors, full term—Thos. Curry, A. W. Black, Len J. Patterson, C. R. Jackson and J. G. Dimmick.
Director, to fill vacancy—James LaBerge.

Installed Officers.
St. Joseph Commandery, No. 92, K. of St. J., of East Tawas, installed their officers for the ensuing year, on Thursday evening of last week. At the close of the installation ceremonies a most enjoyable banquet was held by the Knights and their friends. The officers installed were:
President—John C. Quarters.
1st Vice Pres.—Loren Kleno.
2nd Vice Pres.—Wenzel Walner.
R. & C. Sec.—Albert S. Wheeler.
Fin. Sec.—James LaBerge.
1st Lieut.—Loren Kleno.
2nd Lieut.—Wenzel Walner.

The M. A. C. 50 Years Old.
On the 29th, 30th and 31st of next May will be celebrated the 50th anniversary of the founding of the Michigan Agricultural College, and preparations are being made to make it an occasion of more than ordinary interest. President Roosevelt has consented to attend and will deliver an address on May 31. The American Association of Agricultural Colleges and experimental stations and several other national associations will also hold their meetings there at that time, which will assure a large attendance of well-known educators from all parts of the country.
All alumni, former students and other friends of the college are invited to join in celebrating not only the semi-centennial of the college, but of what is of more importance, the 50th anniversary of the founding of the system of education of which this institution is an advocate.

Supervisors' Proceedings.
Monday, Jan. 7, 1907.
The board of Supervisors of Iosco county met in the court house in the city of Tawas City said county on Monday the 7th day of Jan. 1907, pursuant to adjournment from Oct. 15, 1906.
Board called to order by chairman Sutherland who ordered clerk to call the roll.
Present—Alda, Brown, Carleton, Borland, Davison, King, Dutton, Ely, Featherston, Ferrister, Johnson, Jordan, Karus, Lindsay, Quinn, Macfarlane, McDonald, Patterson, Rawden, Robinson, Murray, and Williams.—23. Quorum present.
Sault Ste. Marie, Nov. 16, 1906.
Hon. Jno. A. Mark, County Clerk, Tawas City, Mich.
Dear sir:—I am in receipt of your communication of the 9th inst., enclosing a certified copy of a resolution adopted by the Board of Supervisors of Iosco county at its recent session abolishing the salary of county Game Warden and recommending the revocation of the commission of the present incumbent. As the year is drawing to a close and Mr. Sims' commission will expire the first of the year, I will notify him to do no more work for the reason that there will be no provision made to pay for his services. Kindly notify the board that I will be glad to take up the recommendation of that body for the appointment of some suitable citizen as warden for your county immediately after the first of the year, and will cheerfully act upon such recommendation.
Yours respectfully,
C. H. Chapman, warden.

Moved by Rawden supported by Dutton, that communication be received and spread on the minutes.
Carried by unanimous vote.
On order of the chairman the several committees retired to their rooms and balance of board were given a recess subject to call of chair.
Board called to order at 11:30 a. m. and on motion took a recess until 1 p. m.
Afternoon Session.
The board was called to order by Chairman Sutherland at 1 p. m. Quorum present.
The clerk read a communication from Jno. Sims, county game warden, which on motion was laid on the table by unanimous vote.
The following resolution was offered by supervisor Macfarlane, same being supported by supv. Rawden.
Resolved, That the chairman of this board appoint a committee to draft and present to the legislature a local act providing that Iosco county may if this board of supervisors see fit, pay the sheriff of the county a salary for the criminal work of the county.
Moved by Macfarlane supported by Johnson that resolution be referred to committee on judiciary.
Carried by unanimous vote.
On order of the chairman, the several committees retired to their rooms, and rest of board were given a recess subject to call of the chair.
Board called to order at 2:45 o'clock p. m. by Geo Sutherland chairman.
To the Honorable Board of Supervisors:
Your committee on claims and accounts No. 3 would respectfully submit the following as their report and do hereby recommend that the several amounts scheduled herein be allowed also that the clerk of this board be authorized to draw orders on the county Treasurer for the same:

TAWAS CITY, MICH., JAN. 18, 1907

Gov. F. M. Warner was sworn in as governor last Saturday while still confined to his bed at his home in Farmington.

A Lansing dispatch to the Detroit Journal states that the railroads will pay about \$150,000 less taxes this year than last, when their taxes were \$3,527,000.

A strong sentiment is developing in all sections of the state for the nomination of candidates for the United States senate by a direct vote of the people.

The friends of W. C. McMillan are already at work to secure his election to the senate in 1911. It is safe to say that Gov. Warner and Arthur Hill will also be in the race.

An organization has been perfected at the Soo with the object of nominating Congressman Charles E. Townsend, of Jackson, as the republican candidate for governor in 1908.

A movement is on foot at Monroe to erect a monument to the memory of Gen. George A. Custer, who was without doubt the most famous soldier Michigan ever produced. Nearly 31 years have elapsed since his death.

The election of William Alden Smith as senator to succeed R. A. Alger apparently marks the passing of Julius C. Burrows, as it is conceded that some man from eastern Michigan will succeed him at the close of his term in 1911. His retirement will be a credit to the state.

When the republican senatorial convention reconvened Thursday evening of last week, William Alden Smith, of Grand Rapids, was nominated on the first ballot, or the sixth ballot by the caucus. His nomination was brought about by a combination with the McMillan and Hill forces.

The senatorial question has been settled, and after the members of the legislature organize a few more unnecessary state boards to give jobs to the hungry members of the machine, and appropriate sufficient funds to provide for the payment of salaries and expenses, they may think of considering something of interest to the people of the state.

If the present legislature desires to gain the confidence of the people there is no one way that they can do so better than by repealing the present rotten primary election law and passing a new act covering the nomination of all candidates, including U. S. senators, by all parties, and doing away with party registration. The present law is condemned by all parties and is simply a farce.

Hon. Temple Emery is being strongly urged for the appointment as state salt inspector to succeed A. E. Wilder. Such an appointment would give great satisfaction to Mr. Emery's many friends in the Tawas and certainly if any man is worthy of recognition at the hands of his party, he is. Having for many years been engaged in the manufacture of salt, he is well qualified for the position.

The board of supervisors of Oscoda county settled with the bondsmen of the defaulting treasurers—Frank Noble and T. G. Woodward—at 16 cents on a dollar, the supervisors of Alcona county compromise with H. K. Gustin for illegal rebates, and Presque Isle county board decline to take action to recover money illegally paid officials. It certainly is no wonder that county officials will be dishonest. There appears to be no reason why they should not.

Cured of Lung Trouble.

"It is now eleven years since I had a narrow escape from consumption," writes C. O. Floyd, a leading business man of Kershaw, S. C. "I had run down in weight to 135 pounds, and coughing was constant, both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this about six months, when my cough and lung trouble were entirely gone and I was restored to my normal weight, 175 pounds." Thousands of persons are healed every year. Guaranteed by G. S. Darling and J. M. Wuggazer & Co. druggists, 50c and \$1.00. Trial bottle free.

To Reclaim Land.

Washington, Jan. 15.—An extensive plan for the reclamation of swamp and overflowed lands will be considered at an early meeting of the senate committee on public lands. The scheme is advanced in a bill introduced by Senator Clapp, which provides for the establishment of a "drainage fund" from all moneys received from the sale of public lands in Alabama, Arkansas, Florida, Illinois, Indiana, Iowa, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Ohio and Wisconsin, except five per cent set aside by law for educational and other purposes. Under the bill the secretary of the interior is directed to make examinations and surveys for the construction of works for the drainage of swamp lands and to report to congress on or before July first of each year as to the results.

Bank Election.

At the annual meeting of the directors of the Alpena County Savings bank held Wednesday afternoon, the directors looked over the year's work and noted a marked increase in the volume of business over all previous years. Realizing that the small depositors had been a factor in building up the bank, and were entitled to the same consideration as the larger, voted unanimously to pay 4 per cent interest on all saving deposits, either savings book or certificates.

The directors elected the following: President—Patrick Culligan. Vice President—Frank C. Holmes. Cashier—W. A. Prince. Commercial Teller—Byron H. Olds. Savings Teller—Adam W. Kunna. Bookkeeper—John R. McHarg. Collector—Vernon C. Rutledge. Messenger—Fred W. Piepcorn. —Alpena News.

Michigan Crop Report.

The following crop report was issued from the secretary of state's office last Saturday:

The temperature during December, according to the Michigan State Weather Bureau, was below the normal in the upper peninsula, northern and central counties, slightly above in the southern counties and 0.4 degrees below the normal in the state. The departure for the state being 0.34 of an inch below the average.

In answer to the question, "Has wheat during December suffered injury from any cause?" 189 correspondents in the state answer "yes" and 489 "no," and in answer to the question, "Has the ground been well covered with snow during December?" 128 correspondents answer "yes" and 591 "no."

The total number of bushels of wheat marketed by farmers in December at 122 flouring mills is 198,229 and at 99 elevators and to grain dealers 122,830, or a total of 321,059 bushels. Of this amount 231,891 bushels were marketed in the southern four tiers of counties, 74,866 in the central and 14,302 in the northern counties. The estimated total number of bushels of wheat marketed in the five months, August-December, is 5,000,000.

Sixty-two mills, elevators and grain dealers report no wheat marketed in December.

The average condition of live stock in the state is reported as follows, comparison being with stock in good, healthy and thrifty condition: Horses 96, cattle 94, sheep 96 and swine 97 per cent.

The average prices January 1 of some of the principal farm products in the markets where farmers usually market such products were as follows:

The average price of wheat per bushel was 72 cents, rye 59, shelled corn 48 and oats 34 cents; the average price of hay per ton was \$11.13.

The average price of fat cattle was \$3.74 per cwt., of fat hogs \$5.81 per cwt. and of dressed pork \$7.41 per cwt.

The average price of each class of horses was as follows: Under one year old, \$40.65; between one and two years old, \$65.62; between two and three years old, \$95.62; and three years old and over, \$130.37.

Milch cows were worth \$34.51 per head. Cattle other than milch cows, under one year old, were worth per head \$10.27; between one and two years old, \$17.57; between two and three years old, \$27.05; and three years old and over \$35.07.

The average price of sheep under one year old was \$4.22 and one year old and over \$5.39; hogs not fattened were worth \$5.24 per cwt.

The prices given are for the state. The price of wheat is 7 cents lower than one year ago, rye and corn the same, oats 3 cents and hay \$3.89 higher than one year ago.

All grades of horses, sheep one year old and over, cattle and hogs alive and dressed are considerably higher than on January 1, 1906.
