If you know as well as we do, how good these clothes are, you understand why we are so proud to be the firm in this city and to announce the new CLOTHCRAFT styles for Spring.

They know as well as you do that honesty is the best policy.

Clothcraft Clothes

So Much for So Little

But we didn't decide to handle CLOTHCRAFT till we knew from top to bottom just what these clothes are and just how they compare with others.

The thing we wanted to know was how they could be so good and yet sell for so little.

For CLOTHCRAFT CLOTHES have the very best style, and their pure wool and fine tailoring are guaranteed. And yet the prices are only \$10 to \$25.

We Investigated

When we investigated, this is what we found: An organization that eliminates

waste. The most wonderful and up to date clothing factory in America. A factory system and marvelous processes that save on cost without any reduction in value. An output so big that an immense saving is made in the purchase of materials.

And we found that the savings thus made were what paid for the better wools and better tailoring in CLOTHCRAFT CLOTHES.

Thus we proved to ourselves how these clothes can be at once so good and so low priced.

And thus we became more proud than ever to offer CLOTHCRAFT to you.

Now we want you to see these astonishing clothes. We wish you would come today.

RANDOM SHOTS

SOME ARE ORIGINAL, SOME ARE NOT

It is curious that people persist in interesting themselves in other people's business, for which they receive no thanks, when they can earn money by attending to their own business.

For thirty-eight years Dr. James B. Angell has held the presidency of the University of Michigan, which he has guided in as growth from a small institution to a university whose attendance is more than five thousand.

What is regarded as the quaintest oath still in use, is that taken by the high court judges in the Isle of Man, the terms of which are as follows: "By this book and contents thereof, and by the wonderful works that do both miraculously wrought in heaven above and the earth below in six days and six nights, I do swear that I will, without respect of favor or friendship, loss or gain, consanguinity or affinity, envy or malice, execute the laws of this isle justly between party and party as indifferently as the herring backbone doth lie in the midst of the fish. So help me God, and the contents of this book."

A news dispatch from Washington briefly records that an old man named Hinton Rowan Helper died the other day, by his own hand, in a wretched boarding house. Helper? Have you ever heard the name before? In the winter of 1859-60, almost the only other name heard so often was old John Brown's. For in 1857 this same Hinton Rowan Helper, a southern poor white, published a book called "The Impending Crisis," which helped to precipitate the crisis it predicted. It was an assault on slavery, not from sympathy with the negroes, but in belief of the slaveless white men of the South. When congress met in December, 1859, no party had a majority in the house. The republicans put forward John Sherman, of Ohio, for speaker, and would probably have won if someone had not discovered his name in a list of persons who had endorsed Sherman and threw the house into a bitter struggle which lasted two months. Nearly every member went armed. Meanwhile "The Impending Crisis" sold. There were two classes it did not reach—the negroes and the people whose cause it pleaded. To sell it where negroes might get it was made a crime; and it did not reach the southern poor whites because the mass of them did not read books, and a great proportion of them could not read at all. But it did reach nearly all who counted in the control of events. If it did not precisely make history, it hurried it up. The end of the man who did this seems to know that it is easy to rise from obscurity in a republic as easy also to sink back into it.—Harper's Weekly.

Words to Freeze The Soul.

"Your son has consumption. His case is hopeless." These appalling words were spoken to Geo. E. Blevens, a leading merchant of Springfield N. Y., by two expert doctors—one a lung specialist. Then was shown the wonderful power of Dr. King's New Discovery. "After three weeks use," writes Mr. Blevens, "he was as well as ever. I would not take all the money in the world for what it did for me." Infalible for coughs and colds, its the safest, surest cure of a desperate lung disease on earth. 50¢ a bottle. \$1.00. Guarantee satisfaction. Trial bottle free. At G. S. Darling's and Jas. E. Dillon's drug stores.

Throwing Down Fences.

Destroying crops, throwing down fences, bars, gates, crossing lands, committing nuisances, defacing property, injuring the state, and other matters of a like nature are of concern to every farmer. The law punishing such offenses is found in the "Michigan Farm Laws," which the Herald is offering to all its subscribers, old and new. Don't fail to get a copy at once. Amendments of present legislation furnished free.

IOSCO COUNTY GOES WET.

The Election Last Monday Past Very Quietly With a Heavy Vote Polled.

MANY CHANGES ON BOARD OF SUPERVISORS.

The County Gives Usual Republican Majorities on State Ticket and C. W. Luce was Re-elected County Road Commissioner.

More than ordinary interest was manifested in the election in this county last Monday owing to the vote on the question of local option. A very heavy vote was polled throughout the county, some precincts exceeding their vote of last fall. The county gives the usual republican majority and re-elects C. W. Luce, of East Tawas, county road commissioner. In township affairs party lines were largely ignored and union tickets were nominated and men were elected regardless of party affiliations.

Below are detailed returns of the results:

Swept Over Niagara. This terrible calamity often happens because a careless boatman ignores the river's warnings—growing ripples and faster current. Nature's warnings are kind. That dull pain or ache in the back warns you the kidneys need attention; if you would escape fatal maladies—dropsy, diabetes or bright's disease. Take Electric Bitters at once and see backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one \$1.00 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only 50c at G. S. Darling's and J. E. Dillon's drug stores.

NOTICE.

Tawas City, April 1, 1909.—All persons are hereby warned against dealing with Bernard Blust in a business way, or buying from him any farm produce or stock, as he has not good title to such property, and people dealing with him or buying personal property must settle with the owners thereof for the value of the same.

SOPHIA BLUST.

The old fashioned way of dosing a weak stomach or stimulating the heart or kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, heart, or kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then those organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by C. H. Prescott & Sons.

SICK PEOPLE SHOULD INVESTIGATE

I Know the Diseases of Both Sexes Like an Open Book. I have Been Curing Them for 49 Years. In fact, My Entire Life Has Been Devoted to Curing Where Others Have Failed.

I Have Changed Hundreds Upon Hundreds of Nervous Wrecks Into Fine, Strong Men and Women. I accept No Case I Cannot Cure.

I ESPECIALLY invite all doctors and physicians who have been treated without a cure to write me fully and frankly. I will gladly tell you of my method in case that I cannot cure—holding out no false promises. I have spent my whole life in the study and cure of chronic diseases and the study of the human system. I have discovered many new and powerful methods of curing chronic diseases. I have cured many years ago I graduated from the Western Homeopathic Medical College of Cleveland, Ohio, two years. Head Physician at the Alma Sanitarium, Alma, Mich. I have spent many long years as a specialist, treating chronic diseases of all kinds with wonderful success, and am now owner and operator of the largest sanitarium in the country, giving my entire time to the treatment of chronic diseases of both sexes. I cure the worst forms of Epilepsy, St. Vitus Dance, Paralysis, etc.

I CURE NERVOUS TROUBLES—Tearing Away, Loss of Memory, etc. in Both Sexes. Whether from excess of work, I promptly and positively cure, no matter of how long standing.

I CURE BLOOD POISON—I cure Blood Poison in the first, second and third stages—driving the poison from the system, and thus curing blood-curing pimples, copper spots, sores in the mouth, throat, etc.

I CURE FITS—Epilepsy, St. Vitus Dance, Paralysis, etc., by striking direct at the cause, restoring the diseased nerves to perfect health.

I CURE PILES—in 30 days to stay cured and never return.

I CURE CONSUMPTION, the Great White Plague, in the first and second stages, and cure the disease in its third stage, and thus cure the Doctors. Those I cannot treat at home by mail, I will send you a complete and sacredly confidential.

I GUARANTEE TO CURE, to stay cured, rigorously, completely, or give you a complete and sacredly confidential.

Call and see me or write to either Sanitarium as below.

No matter what disease you are suffering from, write me fully today. I will answer at once, and my advice, which costs you nothing, may save you hundreds of dollars—**Write to-day.**

THE BOY WHO WINS.
His cloths are neat, but not always of the best material. He seldom cares to recite poetry at a school entertainment and never tries to "show off."
He may be perfectly familiar with a subject, and yet waits until his opinion is asked before he will offer to explain his knowledge concerning the matter.
He is often forced by circumstances to earn money while quite young. At odd times—after school hours; but he willingly starts upon his duties at once, as if every minute must serve his purpose, and be filled into some account.
He begins to play in the same manner. He must get all possible fun out of it.
He is strictly honest in his dealings with his boy chums, never by any chance taking advantage of any mistake that would benefit him.
Lack of means may deprive him of time to finish his education at school, but he cheerfully lays down his books for a time to take up the implements of toil, giving the childish strength to aid parent or benefactor in maintaining a livelihood.
But "plus ultra"—more beyond—is his watch word.
The hours between labor and rest he gives to his study. It may be books bought at the price of sacrificed comforts, or a hard earned dollar he has given in exchange for the teachings of a correspondence school—such institutions that seem to be organized especially for the benefit of struggling heroes.

But knowledge he must have, for the great world outside is waiting for him; the great world has need of him, and he is pushing forward to fill the important post that can be filled by only such as he.—Selected.

Any lady reader of this paper will receive, on request, a clever "No-Drip" Coffee Strainer Coupon privilege, very pretty, and positively prevents all dripping of tea or coffee. The Doctor sends it, with his new free book on "Health Coffee" simply to introduce this clever substitute for coffee. Dr. Shoop's Health Coffee is gaining its great popularity because of: first, its exquisite taste and flavor; second, its absolute healthfulness; third, its economy—1 1/2 lbs. 25c; fourth, its convenience. No redions 20 to 30 minutes boiling. "Made in a minute" says Dr. Shoop. Try it at your grocer's, for a pleasant surprise.

LEST WE FORGET

FIRST:--To our friends, the enemy. Congratulations on having avoided personalities in a hard fought contest and in having escaped for two years the horrors of the Blind Pig.

SECOND:--Congratulations to those who joined in the gallant assault on the Saloon Power, which has dominated our county for the last thirty years. You have done well! You started without organization or resources against an organization firmly entrenched and rich in resources. In a few short months you have waged a campaign that changed the enemy's scorn and derision to fear and respect. On April 5th you drove him to the very last ditch, where he held his position subject to the change of only a hundred votes.

You have done well! Three years ago this would have been thought impossible. You know now that it is only a short time until Iosco joins the other thirty counties and wipes out the Saloon for once and for all.

But--look well to your weapons and keep them bright by use. See that the enemy obeys the law, which he talks of so much and observes so little. Look well to your public officials and see that they do their duty. Look well to your municipalities and see that the public monies are properly expended. In this way we shall keep in fighting trim and be ready for the final battle two years from now.

THIRD:--to our friends the enemy once more--"lest we forget." We shall meet again!

"Auf Wiedersehen" and "Au revoir!"

PAIN

Pain in the head--pain anywhere, has its cause. Pain is congestion, pain is blood pressure--nothing else usually. At least, so says Dr. Shoop, and he proves it. He has created a little pink tablet. This tablet--called Dr. Shoop's Headache Tablets--coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently though safely, it dissolves the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion--blood pressure. That surely is a certainty for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Brush your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is--always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

Saved From The Avalanche

Returned Alpine Tourists Tell Marvellous Stories of Hairbreadth Escapes From the Greatest Danger of Mountaineering.

Across a huge mass of snow and ice pressed on the brink of a precipitous mountain side, a party of climbers, roped together, are cautiously threading their way. Any moment a puff of wind or a false step may start the avalanche down the mountain, and hurl the travelers into eternity. You would certainly consider the situation of the adventurous travelers dangerous, wouldn't you?

And yet you are in similar peril yourself if you are neglecting that touch of coughs or asthma, that cough or cold, which may lead to terrible consequences. Why not take effective measures by purchasing a bottle of **Abbey Syrup**, Cloisur-Santo Pulvis, a remedy which has simply astonished Europe with its marvelous results in the cure of all forms of bronchitis and lung disease?

Abbey Syrup is an infallible remedy, and though harmless in itself, is a radical cure for coughs and colds, asthma, bronchitis, sore throat, croup and whooping cough, influenza and all chest, throat and lung troubles.

This medicinal remedy and is sold and recommended in Tawas City by C. H. Dillon, at the drug store, and in East Tawas by T. O. Gates and J. E. Dillon.

Send in your coupons Saturday morning and help to land one of the prizes here. Your promises are appreciated by each contestant, but its votes that win the prizes.

We are glad to note the stand taken by the editor in regard to local option in last week's issue. Perhaps this has been a serious problem in the minds of some of the people, perhaps some one has been ungrateful, we cannot comprehend how any one could stand undecided on so important an issue. We rejoice that the problem was solved and by himself.

Roy Leslie was quite seriously injured by being kicked in the breast by his mustang which he was driving, while returning to the mill in Sherman last Monday evening. He was compelled to return home and at this writing is not much improved. Whether or not he was internally injured had not been learned. His mother, Mrs. Harriet Leslie, was contemplating a trip to Huron county this week but was detained at home on account of the accident.

Election is a thing of the past. Whittemore and Burleigh stood the wash well and came out with the "dry's." They always do things right and on this point their reputations stand unassailed. The republican ticket won out with two exceptions, and it is hoped that the same perseverance and determination that has been exemplified in the spring campaign will continue for the benefit of the tax payer to the end of the chapter.

Tuesday evening about 20 young people gathered at the home of John Alda to surprise and help celebrate the birthday anniversary of Masters Vernon and Russell Alda. The evening was spent in games and amusements and a lunch was served. All had a pleasant time.

Laidlawville. Mr. Rose spent Sunday at the home of John Barrett. Charles Lange and family spent Sunday with her mother. Miss Minnie Kuach was the guest of Miss Julia Kobs on Sunday.

Mrs. W. E. Laidlaw and children are visiting friends on the Hemlock. Mr. and Mrs. Theo. Lange entertained friends from Tawas on Sunday.

Miss Ida Bishoff returned from Detroit, where she has been for the past few months. Clarence, the 11 months old son of Mr. and Mrs. George Zimmith, of the county farm, died on Friday last. The funeral was held from St. Joseph's church Monday morning. The bereaved parents have the sympathy of all.

Greenwood School.

"The black rats have begun to look scarce." The 8th grade have finished the reading of Hiawatha. Greenwood have champion ball games, especially among the girls. Several of our scholars have been absent on account of whooping cough. We hope to see them in school soon.

The base ball team, called the Greenwood Juniors, are going to have a box social at the Grant town hall, Friday evening, April 16. Money to be used in purchasing new outfits. Come and help the boys.

Rheumatic poisons are quickly and surely driven out of the blood with Dr. Shoop's Rheumatic Remedy—liquid or tablet form. Dr. Shoop's booklet on Rheumatism plainly and interestingly tells just how this is done. Tell some sufferer of this book or better still, write Dr. Shoop, Racine, Wis. for the book and free samples. Send no money. Just join with Dr. Shoop and give some sufferer a pleasant surprise. C. H. PREFFERT & Sons.

Card of Thanks.

We wish to extend to the friends and neighbors our heartfelt thanks for the sympathy and assistance extended during the illness and death of our little son, Clarence. Mr. and Mrs. GEO. ZIMMITH.

I wish to extend my most sincere thanks to the many friends and neighbors in the Tawas, Alabaster and vicinity, for their kindness, sympathy and aid during the hour of my sad bereavement in the death of my beloved husband, and to assure them one and all of my appreciation. MRS. JAMES OATES.
