TAWAS CITY LOSES GAME TO ALABASTER

Omer Wins from Oscoda, Last
Season's Champions of
D. & M. League

League Standings			
	W	L	Pct.
Alabaster	1	0	1.000
Omer	1	0	1.000
Tawas City	0	1	.000
Oscoda	0	1	.000
East Tawas	0	0	.000
Standish	0	0	.000

One hectic inning spelled disaster for Tawas City last Sunday. A hit batsman, two walks, two hits and three errors meant five runs before a man was put out. Bratt went wild in the third with a hit batsman and two wild heaves but settled down to business for the remainder of the game. Only two hits were made off him, those appearing in the first inning. He will win several games this season without doubt. Thirteen errors are a heavy handicap toward winning a ball game but the boys will settle down soon and get their share of games.

The team goes to Omer Sunday to meet the conquerors of Oscoda. Let's go down with them.

The schedules are out and are in conspicuous places down town. Look them over.

The Ioscos, champion league team of Northeastern Michigan last season, lost the opening game of the season to Omer at the athletic park Sunday before a small crowd of spectators.

While the weather was too cold to either play or enjoy the game, still for four innings neither team was able to score. Clayton of the visitors and Beede of the locals were pitching a fine article of ball and the stage seemed to be set for a pitchers battle, but with two away in the fifth and two on base and a chance to retire the third man at first, Tate dropped Kirleys throw and Omer scored three runs before the side was retired. The visitors scored again in the sixth with two runs and in the seventh the Ioscos staged a batting rally which scored two runs. Omer came right back in the eighth with two more and scored again in the ninth on a passed ball by Winters.

The Ioscos had men on bases in six of the nine innings waiting to score. Beede pitched an excellent game, but "boots" and "wild heaves" were responsible for so many scores. Jerry Marks led both teams in batting, getting a single and double in four times up. The final score ended with 8-2 in favor of Omer.

Tawas City-Alabaster Game By Innings

First Inning, Alabaster—Bolen was hit in the chest with the first pitched ball. He stole. Beck walked. Bratt threw Benson's grounder into right field, Bolen scoring. Spring popped a single to the third base line that hopped away from McCrum, Beck scoring. McCrum threw wide to second, Benson scoring. Lanski let Curtis' grounder go through him, Spring scoring. W. Baker singled Curtis home but died stealing. F. Baker fanned. Blust walked and stole. White fanned. Five runs, two hits, three errors.

Tawas City—Lanski fled to W. Baker. Johnson out, pitcher to first Mark safe on White's fumble and went to second on McCrum's single to center. Musolf hit to Curtis, who forced McCrum at second. No run, one hit, one error.

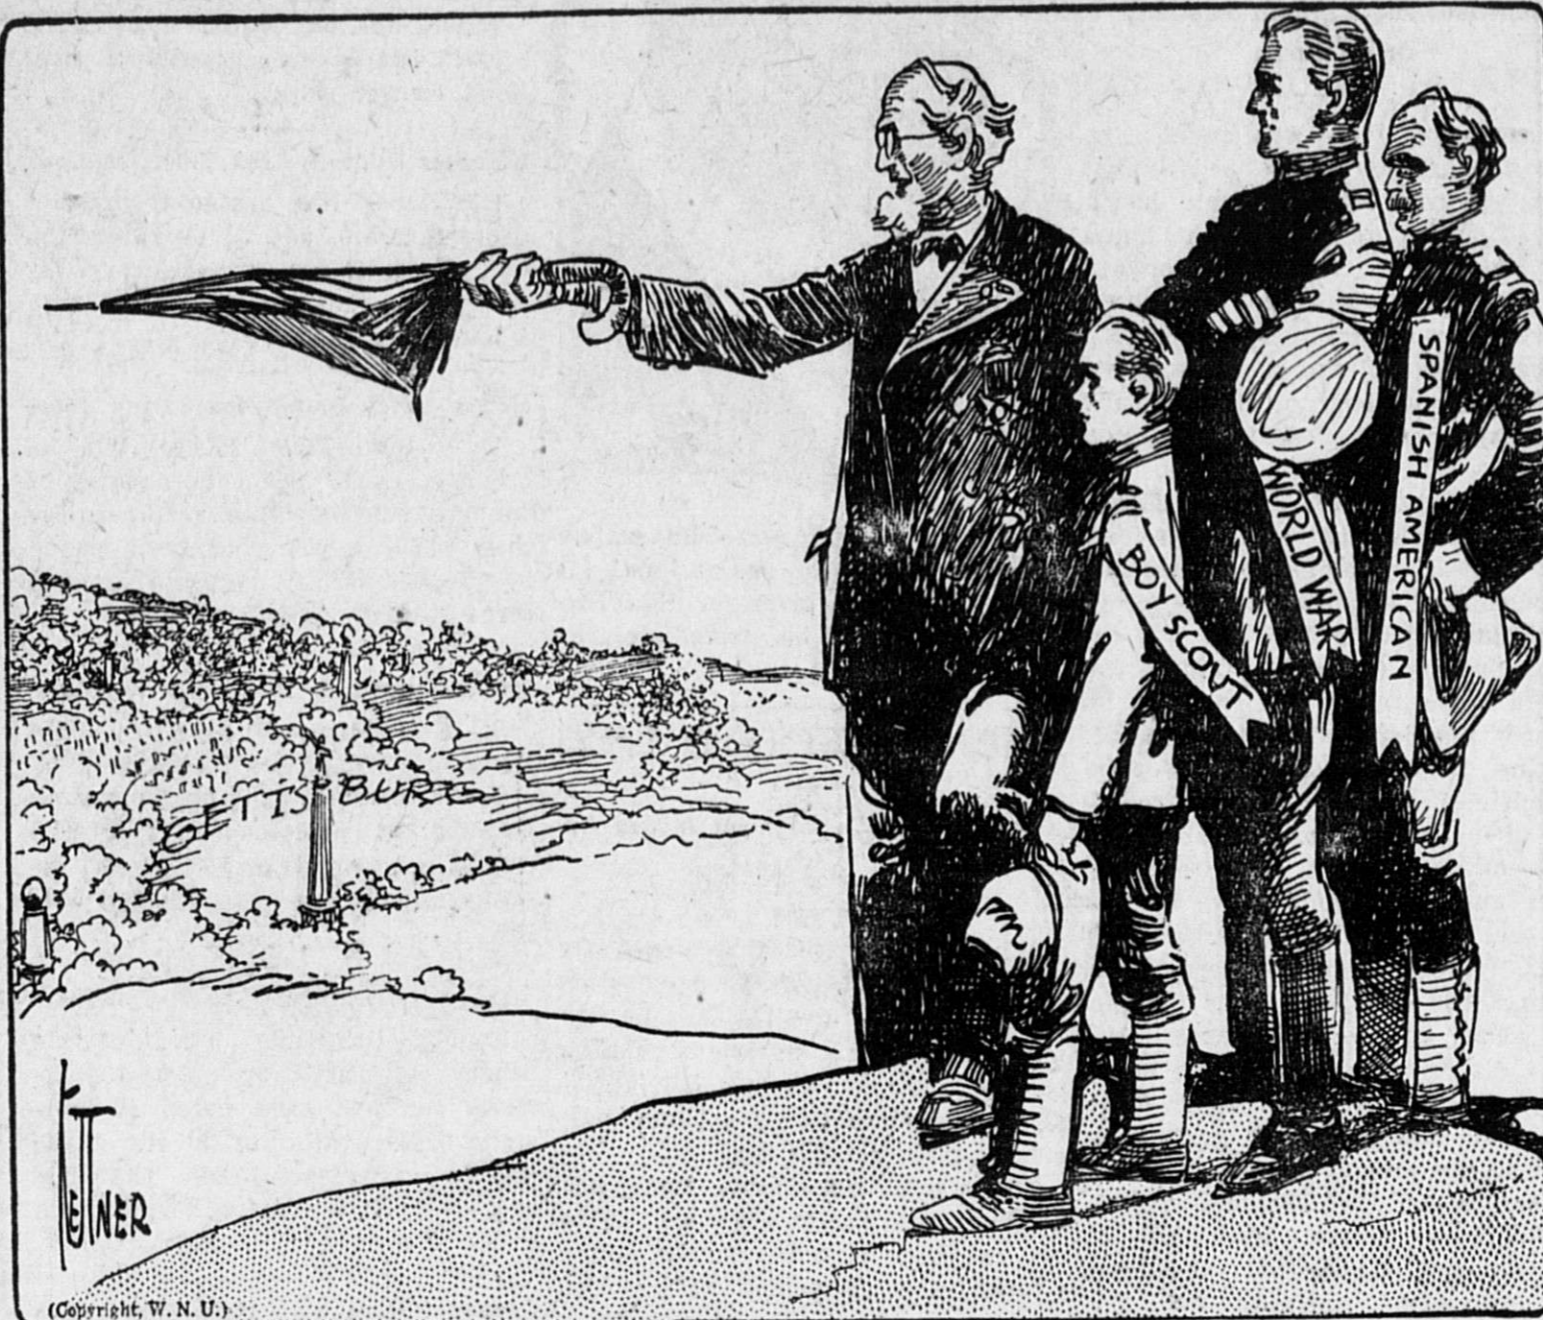

Second Inning, Alabaster—Pearsall went to left in place of Swartz. Mark got Bolen's foul. Beck safe on Lanski's fumble. Benson and Spring fanned. No run, no hit, no error.

Tawas City—Moeller walked. Curtis dropped Pearsall's pop but forced Moeller at second. Pearsall stole. Lixey popped to spring. Pearsall was safe on an attempt to double him at second but was caught when he led too far off. No runs, no hits, no errors.

Third Inning, Pearsall playing short and Lanski left—Alabaster, Curtis fanned. W. Baker hit by pitched ball. F. Baker fanned. Bratt threw Blust's grounder into right.

Henry Fahsel at the meeting of the common council last Monday evening purchased the old Whittemore house from the city. The house is to be removed before July 12 to make way for the new city hall.

At this meeting the council purchased lot 11, block 3 of Eugene Bing. They then sold a strip 10 feet wide off lot 11, block 3, to Chas. Curry and 10 feet off lot 10, block 3, to Henry Kane. This leaves the city with a 100 foot frontage on which to build the new city hall.

300 GATHER FOR FIRST MEET OF ASSOCIATION

Plan on Making Trip to Tawas
During the Coming
Summer

In a communication to The Tawas Herald, Len J. Patterson, former owner of The Herald, now residing in Detroit, in writing about the new Tawas Association of Detroit, said: "The Tawas Association of Detroit is now a reality. About three hundred gathered at the Recreation building on Elmwood Avenue Monday evening and completed the organization. While no effort was made to furnish entertainment aside from the business, the old friends of other years certainly had an enjoyable evening.

"Plans are maturing for other meetings at which it is confidentially expected that the larger portion of the two thousand or more former Tawasites now living in Detroit and vicinity will participate. An automobile trip to the old home towns during the summer is also being planned which is expected to consist of 50 or more cars."

The following officers of the association were elected:

President—C. R. Jackson, Jr.
Vice—President—Sam Anker
Secretary—Miss Fern Mark
Treasurer—Paul P. Groff.

MAY DAY FESTIVAL A BIG SUCCESS

There was a large attendance at the school fair or May Festival held at the Community building last Friday evening. Owing to the heavy rains the attendance was not as large as previous years.

The program opened with the singing of the Battle Hymn of the Republic, followed by a flag drill by the fifth and sixth grade girls. A one act play, "Fun in a Vaudeville Agency" was then given by the high school juniors. This was followed by an apple blossom drill by the first grade and kindergarten girls, dressed in pink and white. A shower of apple blossom petals made the scene realistic. Little Hannah Wingrove followed with a fairydance in fairy costume of black and white.

The crowing of the May Queen, Miss Genevieve Deckett, which took place in a little playette by the critic room, the children representing flower birds. Miss Deckett was presented with a beautiful ring. The crowing of the Queen was fittingly followed by the May Pole dance by the second and third grade in rainbow colors. A medley of choruses by the seventh and eighth grade girls in costumes representing boys on one side and girls on the other. A dramatization and a pigmy show was given by the ninth grade and "Hi-Jenks Circus" by the sophomore class finished the program. This was an interesting and very humorous play, bringing in various stunts (and animals cleverly made by the pupils).

After the program the usual midway was enjoyed with candy, ice cream cones, lemonade, red hots and coffee and several side shows.
