## TAWAS CITY SCHOOL NOTES

Chelsea Chambers, Russel McKeen and Rosetta Lietz were visitors at school the past week.

Each member of the American Literature class, having finished the study of the development of the American Short Story, is giving special preparation to one of the type stories to be followed with intensive study of the present day story.

Declamatory work in the English I and II classes is now arranged. Each member of class II is at present much concerned with study of purpose, subject and preparation of his oration, which will be written, memorized and delivered in the local contest. We are pleased to have a few volunteers from the seniors in this work, which is not required of them this year.

The final result of the series of typewriting speed tests given at the close of the first semester are as follows: Lucile Snyder 31 words per minute, Eleanor Lang 27, Charles Colby 25, Margaret Osborne 23, Alta Leslie 22, Stanley Daley 21, Forrest McCaskey, Glenn Wolff and Walter Schlechte 20.

Seventh and Eighth Grades

This is the beginning of our new semester. From the marks which some of us received we will have to work much harder this semester if we expect to pass our year's work.

The fifth and sixth grades won in the attendance contest for this month. Their record was 93.13 per cent and our record was 90 per cent. We ask our parents to help us to be here more regular this month so we can show a better record.

Our room is planning to have a Valentine box this Friday.

Fifth and Sixth Grades

Now that semester exams are over again we are all working hard to prepare ourselves for the next ones.

Magdalene Coyle entered the sixth grade last Monday bringing our enrollment up to 35 again.

We are very proud of the fact that we beat the seventh and eighth grades in attendance this last month. Our attendance was 93.13 per cent, while theirs was 90 per cent.

The sixth grade arithmetic class has started the study of percentage.

We are planning to observe the birthdays of Lincoln and Washington by studying about the lives and works of each.

Third and Fourth Grades

This week we are making booklets about Abraham Lincoln for language work.

We are planning to have a Valentine box Friday afternoon so we drew names to give one another Valentines. We will also tell some stories about Abraham Lincoln.

Primary Room

We are glad to have Laurie Frank back with us again after being absent since December with a broken leg.

The beginners are illustrating the story of "The Three Bears."

We have been reading stories about Lincoln. We have a log cabin in our sand table and have made some soldier caps.

The A beginners have completed their Winston Primers and are reading in the Companion Primer now.

Our attendance chart shows a better attendance of the beginners than the first and second grade for the last month.

We had perfect attendance on Tuesday, the first day since Christmas vacation.

Jack Coyle from the St. Joseph's school entered the first grade this week.

A number of pupils were absent so much this period that it was impossible to give them a mark. We hope the attendance will be better the next five weeks.

WARD SCHOOL

We had ten visitors in our room last Thursday.

The Valentine box is the center of interest this week.

The semester marks on the report cards made some of the pupils realize that they had to spend more time on books.

Nyda Moore received A in the spelling examination. Evelyn Bigelow received the next highest mark, missing only two words.

The language classes are preparing special work for Friday afternoon.

### D. C. DEGROW

D. C. Degrow, a pioneer of Reno, died at his home Wednesday, Feb. 3, after an illness of six weeks.

From the beginning of his illness he assured the family he would never survive it.

Mr. Degrow had a very quiet retiring disposition which estranged from many but held him in high esteem by those who knew him best.

He was born in Wentworth county Ontario, May 27, 1842, age at death, 83 years eight months and seven days. January 16, 1865 he was united in marriage to Miss Emma Moore.

To this union nine children were born. His wife and four children, Will, Maggie, George and Alex proceeding in death a number of years ago.

May 27, 1920 he was united in marriage again to Miss Charlotte Vance, who with one son and four daughters are left to mourn his loss.

Mrs. Alice Waters, John Degrow of this place and Miss Elizabeth at home were privileged to be at his bedside. Mrs. O. S. Burton of Pensacola, Fla., and Mrs. D. Cooper of East Tawas besides 23 grandchildren and six great grandchildren.

Mr. Degrow came to Reno in the spring of 1886, cleared land and done some planting, soon after he went to Canada and returned with his family in October and since that time except six months spent in Florida, has been a resident of Reno where he made many friends who sympathize with the bereaved family.

The funeral was held from the Baptist church Saturday afternoon. Rev. Roberts officiating and the remains were laid to rest in the Reno cemetery.

Those from a distance who attended the funeral were Mr. and Mrs. D. Cooper of East Tawas, Lloyd Cooper of Bay City, Rex Cooper of Flint, George and Grace Waters and Mrs. Beulah Portich of Detroit.

State Theatre.

Having disposed of our interests in the firm of H. N. Butler & Co., we wish to extend our sincere thanks to all our friends and patrons for all past favors and support.

The thirteen years we have been in business here have been very enjoyable and we shall always cherish the loyal support from our many friends and customers from all over Iosco county and we hope that it may continue with our successors.

We shall always be loyal boosters for the Tawas and the best county in Michigan, in which we intend to continue our residence.

H. N. Butler and Family.

\$25.00 REWARD

A reward of twenty-five dollars will be paid to the person furnishing us with information as to the person or persons who have broken and damaged the water pipes at the Barkman cottages on Tawas Lake recently. All information will be confidential.

John A. Stewart,  
Prosecuting Attorney of Iosco county

If L. W. Ross will call at the office of the Herald he will receive two tickets to the State Theatre Free. Compliments of the Tawas Herald.

### C. D. ALLAN BUYS C. H. PRESCOTT & SONS' HARDWARE

One of the most important business changes that has occurred in Tawas City for some years will be made when the sale of C. H. Prescott & Sons' hardware department is consummated March 1st. The purchaser is Chester D. Allan of Bay City, well known to the people of the county.

This is the last remaining unit of the big department store established here during the lumbering days by C. H. Prescott & Sons to be retained by them.

The dry goods and furnishing department was sold to F. F. Taylor & Co. 18 years ago and the grocery department was purchased by Edw. Woizeschke about 13 years ago. The dry goods and furnishings department is at present owned by C. L. McLean. For many years the Prescott store was one of the largest mercantile establishments in this section of Michigan.

The hardware store which has been disposed of to Mr. Allan is the best between Bay City and Alpena. L. H. Braddock, present manager, has made no statement as to future plans. He has been employed in the hardware department for the past twenty-five years. During that time he has made many friends who regret to see him leave the store.

In order that the stock may be reduced a sale has been put on with big reductions in prices.

Dear Mr. Playgoer:

It's enough to say, "Another Harry Carey picture."

But, let me tell you what I know about this particular one—"The Prairie Pirate," with Harry Carey in the leading role as the romantic, dashing "Yellow Seal."

Taken from the Liberty Magazine story by W. C. Tuttle, in a word it's ACTION. The thrill picture of the year is what it's called—teeming with mystery—excitement—romance and adventure—everything that makes the perfect picturization of a story of sheer adventure.

The plot centers around a young ranger who turns bandit to avenge the death of his sister. As "The Yellow Seal" becomes the unknown scourge of the border. His mark on a victim means certain and terrible death.

He falls in love—with a beautiful Spanish girl. He avenges his sister's death. But the unexpected turns and twists; the spectacular climax piling one on the other; the dashing daring "Yellow Seal;" the stately Spanish senorita—

It is the Thrill Picture of the year, and I have it booked into our theatre for Friday, Feb. 19 and Saturday, Feb. 20.

Harry Hartley,  
Manager State Theatre.

### JOHN A. AUTTERSON

John Albert Auttersson was born April 18, 1854 at Clinton, Ontario, and departed this life February 4, 1926 at the age of 72 years, eight months and 17 days, after an illness of 19 months.

He was united in marriage to Miss Agnes Dempsey of Cinton, Ontario. To this union four children were born, two daughters and one son dying in infancy.

Mrs. Auttersson passed away in the year 1881. Mr. Auttersson was again married to Miss Lena Williams in 1885 at Buffalo, New York. He was employed as a sailor at this time. To this union one son was born, Wesley A. Auttersson. He was killed in British Columbia June 2, 1912.

Mr. and Mrs. Auttersson moved to Reno township, Iosco county in 1885 and lived there on a farm until seven years ago they moved to Whittemore.

Mr. Auttersson was a member of the Reno M. E. church until October 1925 when he was transferred to the Whittemore M. E. church. He was a noble citizen and held several township offices while in Reno. He was a highly respected neighbor and was esteemed by all who knew him.

He bore his sickness without complaint always looking on the bright side until the last.

There is left to mourn his loss his loving wife, one son, Howard, by his former marriage, several nieces and nephews and a host of friends in the county. He will be greatly missed in the home and by all who knew him.

The funeral was held Sunday from the M. E. church with interment in the Reno cemetery, Rev. Shugg officiating.

REAL PRISON CAR IN "LIMITED MAIL"

George Hill, director of "The Limited Mail," the Warner Bros. Classic of the screen, which begins a two day engagement on Sunday, Feb. 14, at the State Theatre, had to break the barriers of government restriction to get first hand information concerning the transportation of Federal prisoners in order to screen the picture accurately.

One sequence in "The Limited Mail" calls for a prison car to show the action and reaction of prisoners about to serve sentence, and Mr. Hill was anxious to have that car under close observation. Special permission from Washington was obtained whereby Hill, his assistant, M. K. Wilson, and Darryl Francis Zanuck, the scenarist, were passengers on a prison car that left Los Angeles for Fort Leavenworth.

There were eighteen prisoners besides the picture people, who had placed themselves under the jurisdiction of the attending warden and had secured heavy bond. Six guards (there being a guard for every three men), the warden, a cook and his helpers completed the party.

The specially constructed car which at first glimpse looked like one of the old time tourist pullman coaches except for the barred windows and absence of lower berths, was bare except for several tables and chairs kept snug against the wall. At one end was a stove, ice box and various things needed to prepare meals. Here the chef held sway and cooked food three times a day. The car was sealed at both ends at the start of the journey and is never opened until the end of the trip except under government orders.

The means and methods in which the men, both prisoners and guards, lived, was an interesting experience, according to Hill. They joked and laughed together as if on the best social standing, with no felling of restraint.

At Indio, with sufficient material for their purpose, Hill and his party left the car. The scenes are reproduced in detail in the picture.

The cast includes Monte Blue Vera Reynolds, Willard Louis, Master Jackie Huff, Tom Gallery, Edward Gribbon, Lydia Yeaman Titus and Otis Harlan.

### H. N. BUTLER WILL REMAIN IN EAST TAWAS

H. N. Butler, who some time ago sold his interest in the firm of H. N. Butler & Co., of East Tawas to the Gumm Department Store of Onaway, which was announced in the press of the county last week, plans to devote all of his time to the real estate game in Iosco county. Mr. Butler entered in a partnership last year with L. G. McKay to promote the sale of resort property along the shore and farm real estate. The firm is known as The Northeastern Michigan Realty Co.

Mr. Butler is at present with the East Michigan Tourists association helping to boost Northeastern Michigan as a resort center. He states "I expect to be back in the spring to push Northeastern Michigan real estate. I shall always boost for Iosco county and the Tawas in particular. It will always be my home town no matter where I may roam."

Mr. Butler established the firm of H. N. Butler & Co. in East Tawas about 12 years ago. Under his guidance it has become one of the leading mercantile establishments on the shore. Mr. Butler's many friends are pleased to learn of his decision to remain in East Tawas.

### FIND YOUR NAME IN THE HERALD

Every week this paper will print five names of residents of Iosco county, and if you are lucky and your name happens to be one of the five you will be given two passes to the State Theatre at Tawas City.

All you have to do is come to the Herald Office and the tickets will be given you. Be sure to bring along some identifications if you are not known, so that no mistake can occur. Look your paper over well every Friday and some time your efforts will be rewarded. Some times the names will be all in one list, sometimes they will be scattered, sometimes they will be mixed among the advs., etc. but they will be there. Here is a chance to be a guest of the Herald. Don't forget, five names every week.

Your name will appear in the following manner: "If John Doe will call at the office of the Herald he will receive two tickets to the State Theatre Free. Compliments of the Tawas Herald."

**Cutting Glass Under Water**  
Submerging glass under water does not necessarily mean that it will cut easier, but it is much less likely to crack than when cut in air. The cutting sets up vibrations in the glass which have a tendency to crack it. These vibrations are greatly reduced if the glass is placed under water during the cutting process.

**SEASONABLE FOODS**

**COOL** evenings create the desire for hot dishes; for the evening meal, there is nothing more appetizing than a good, hot, well-seasoned potato soup. For the normal family who enjoys the wholesome onion the following will be a cherished recipe:

**French Potato Soup.**  
Fry two or three medium-sized onions in two full tablespoons of butter for 15 minutes, without browning. Meanwhile cook three or four medium-sized potatoes until tender, add the boiling potato water to the onions and cook them a little longer, while mashing the potatoes, then add them; mix well and add a quart of hot milk, salt and pepper and another two tablespoons of butter. Serve piping hot with tiny cubes of bread browned in butter.

**Potato Rolls.**  
To one cupful of hot mashed potato add one-half cupful of potato water, and one cupful of scalded milk, three tablespoons of sugar, one-fourth cupful of butter or a mixture of butter and other shortening, one egg and a yeast cake dissolved in a little lukewarm water; add flour to make a batter which will stir well with a spoon. Set to rise and when light enough to knead add flour to mix and knead (as little flour as possible). Put to rise again and when light, cut down, cover and rise again, then make into finger rolls or place three small balls of the dough in well-greased gem pans; when very light bake in a quick oven.

### WHITTEMORE M. E. CHURCH

Next Sunday is morning service and it will be devoted to a special

study of the work of the church for the negroes. It is the nearest Sunday to Lincoln's birthday and therefore most fitting time for this study.  
Monday night we shall hold the Fathers and Sons banquet. The Philathea class will serve the meal and it is sure to be good. The special speaker for the evening will be Rev. James Lees of Standish, who will also give some reading. He is fine so don't miss hearing him. The dads are asked to pay for the lads and if you haven't a son of your own, beg, borrow, or steal one, and be ready with a dollar bill for the two plates. Each dad must get a lad, and each one that can classify as a man is expected to be or play dad.

### HALE M. E. CHURCH

The social February 5th was a decided success, everybody had a good time and we are glad so many came

and were ready for a good time. We will have another better than that as soon as we can get a class ready with the lunch.

This week our service is in the evening. We shall study the work of the church among the negroes which is very fitting, being the nearest Sunday to the birthday of him who did so much for the negroes.

School comes at 10 in the morning. Better keep up the record of the last two weeks or improve if you can. There has been 60 present each week.  
David Shugg, Pastor.

### HALE BAPTIST CHURCH

The Dorcas society held at the home of Mrs. S. B. Yawger was well attended and a good time reported. Four new members were taken in, making a total membership of 38. The afternoon was spent in sewing, and a dainty lunch was served after

the business hour. The next meeting will be held at the home of V. S. Nunn, Thursday, Feb. 17.

Next Sunday evening Rev. Roberts invites the choir and B. Y. P. U. members to a luncheon and social hour in the church parlors at 6:00 o'clock p. m.

Choir practice this week at the home of Mrs. Benj. Frost.

The B. Y. P. U. topic: "Who Knows but You" with Scripture lesson in the book of Esther, was pleasingly rendered by dramatizing the story. Character study of each character dramatized was given before the story and given as follows: Dorothy Frost the study of Esther; Olive Grave of Haman; Lyle Frost of Mordica and B. Greve of King Ahasuerus. In dramatizing the story the different characters were represented by E. Lucas as Queen Esther, Melvin Dorcey as King, Lyman McGirr as Ham-

an, Kenneth Frost as Mordecai and Harold Dorcey as a servant. Short talks on the lesson of Service were given by Helen Shattuck, Hazel Frost and E. W. McGirr.
