The Jas. Leslie Oil Co. station is having a number of improvements made this week. A new air pressure system and tower is being installed and an automatic water pump has been placed in operation. An artesian well is also being drilled. Jas. Daley is drilling the well. The improvements are being made John Swartz, Sr., from whom the station is leased.

Theodore Trudell, son of Mr. and Mrs. Edward Trudell of this city, suffered a painful accident last Saturday, when his boot caught in the spool of the stake driver. His boot was torn off his leg and he was thrown over and knocked unconscious. The ligaments were torn loose in his right ankle. The collar of his heavy mackinaw protected his head from serious injury. His foot and leg were placed in a plaster cast. He is feeling better and improving as fast as can be expected.

SCHOOL NOTES

Miss Meta Wendt was a caller in high school Friday afternoon.

Supt. and Mrs. R. M. Bogue motored to Kalkaska Friday evening to spend the week end with the latter's parents, Mr. and Mrs. John Jenkins. Mrs. Bogue's mother returned with them and will spend a week here.

Last Friday forenoon declamations were given before the high school assembly and a few of the interested parents, by the following freshmen: "The Character of Washington," Lita Salmon; "Our National Safeguards," Louise Gackstetter; "Reverence for the Flag," Louis Benson; "The New Patriotism," Howard Swartz; "Dreamers," Cuthbert Bright; "Revolutions," R. B. Heath; "Columbus," Herbert Buch; "The Greatest Battle Ever Won," Onalea Main; "Abraham Lincoln," Theodore Look; "What's the Use," Carl Babcock.

At the close of this contest the judges, Mrs. John Baguley, representing the board of education, Mrs. Cooke and Rev. Smith, all of whom were formally elected by the two groups of contestants, retired and with little difficulty granted first place to Herbert Buch, second to Onalea Main, and third to Onalea Main.

Following group singing, the sophomores participated in a similar contest with the following declamations: "The Burial of John Brown," Raymond Clark; "Toussaint L'Overture," Violet Brown; "A Vision of War," Clara Zollweg; "Cataline Denounced," Martin Schlechte; "The National Flag," Arthur Bigelow; "The Minute Man of the Revolution," Louis Bradock; "A Plea for Cuba," Isabella King; "Spartacus to the Gladiators," Paul Brown; "Lest We Forget," Clara Krumm; "France at the Opening of the Great War," Bruce Myles; "A Message to Garcia," Billie Glezen.

It was with more difficulty than the following were granted: First place, Isabella King, second, Clara Zollweg, third, Clara Krumm and fourth, Pearl Brown.

The winners of the preliminaries will compete for honors in a similar contest in about three weeks. Orators will stage their preliminary in about two weeks. Watch for announcement and, parents and friends fill our assembly room. Your presence gives enthusiasm.

Seventh and Eighth Grades

Nearly everyone is back at school again. It seems good not to see so many vacant seats.

Arthur Lickfeldt entered our room Tuesday bringing the enrolment up to 34 again.

Our lessons in arithmetic are given for a whole week in advance now, and we all like it much better.

The eighth grade having finished their history work for this year, are going to take Michigan history now.

Fifth and Sixth Grades

Robert Lickfeldt entered the sixth grade Tuesday.

The 5th and 6th grades are starting in their new reading books.

The sixth grade arithmetic class has been learning how to read electric light and gas meters.

Third and Fourth Grades

Marshall and Luther Lickfeldt entered our room Tuesday. There are now 48 children in this room to occupy 33 seats.

We have learned two new songs, "The Circus" and "Whistle and Hoe."

The fourth grade arithmetic class is beginning the study of fractions. Donna and Ernestine Gauthier of Flint visited us Tuesday and Wednesday.

Otilia Ziehl, Nelda Mueller and Dorothy Smith had perfect spelling lessons every day this week.

AU SABLE CITY DELINQUENT TAX LAND PURCHASED

What is thought to be one of the largest single sales of delinquent tax land ever made in the state, was consummated this week, when the AuSable Land Co. purchased 250 descriptions of AuSable City property at a total cost of \$38,581.44. This purchase includes a large portion of the land within the AuSable City limits. The purchasing company plan to expend a considerable amount of money in developing it into a valuable resort property.

Sixteen hundred descriptions of Isocoda county property were on the list at the sale of delinquent tax lands held at the court house this week.

TAWAS CITY HIGH WINS FROM OSCODA

Friday afternoon the Tawas City high school baseball team clashed with the Oscoda high school team. Tawas City won with a score of 10 to 2.

The following men represented the local school: Reginald Boudler, catcher; Walter Schlechte, pitcher, Waldo Leslie, first base; Howard Swartz, second base; Charles Colby third base; Walter Kasichke, short stop; R. B. Heath, left field; Arthur Bigelow, center field; Herbert Hosbach, right field; Herbert Buch, James Seacal, Martin Schlechte, utility.

Oscoda 0 0 1 0 0 0 1 0 — 2
Tawas City 2 0 0 1 1 2 3 1 — 10
Schlechte is howing up real form in the box, supported by Boudler behind the bat. The work of the infield has been speedy and fatal to the batters favoring short hits.

FISH PRODUCTION STARTS

With two nets in, the Trudell fisheries have started production. Owing to the backward season, it will be June 1st before production will be at capacity. About 35 nets will be put out this season. About 20 men are now on the payroll of the company at the present time.

For the first time in three years, boats are able to dock at the pier. This has been made possible by the new five foot channel opened during the past week. Several weeks were required to get the dredge ready and to open the channel. The dredge, itself, was erecting last winter.

During August, Edward Trudell states, they will dismantle the John Trudell fish house and pier re-erect it near the main building.

N. E. M. AND MINT OFFICIALS TO HOLD JOINT CONFERENCE

The N. M. Michigan and Michigan-Ontario baseball leagues will hold a joint meeting Saturday, May 8, at the Hotel Bancroft, Saginaw, at 10 o'clock eastern standard time. All league officials are urged by Pres. M. J. Finet of the N. E. M. league and Pres. Halligan of the Mint league, to be present. At this meeting teams from the Mint league will be secured to play local league teams at various times during the season. Other important matters will be taken care of.

M. A. Sommerfield, Pastor.

SEVENTH AND EIGHTH GRADE EXAMINATION

The seventh grade examination will be held May 13 and the eighth grade May 14, at the following places: Alabaster, Grant townhall, Hale, Tawas City and Whittemore.

TAWAS OPENS SEASON WITH ALABASTER NEXT SUNDAY

The boys say they're all set to go, if the weather man will just take some of the ice and snow out of the air. They have been out on the field the past two weeks and are sure showing good form.

Last season Tawas took four of the five games played with the men from the Dusty City, but they promise that we won't do it this year. Their team has been strengthened by several new players, who have plugged their weak spots. On paper they look good.

But we haven't said a word about our team yet. Before we say anything, just look over this list and see who's who. O. Rahl says he never felt better for an opener; Roach says he'll bust 'em wide open; O. Johnson and Marzinski say their wings are in fine shape; Jack Johnson, Eddie Libka, C. Moeller, H. Boldt, K. Swartz and Dillon say that they will have to drive them far to get them over their heads. (By the way, Jack has been trying out with Bay City.) Zink has been training this winter and is just as fast as ever; Stn Noel has trouble keeping the ball inside the lot. Then we have these rookies, F. Fields, J. Lixey, Geo. Jackson, Milo Nielson, E. Moeller, Hartley and Musolf, who are going to make the fellows step lively if they are going to hold their jobs.

Now, if you want to see a team show some class just show up next Sunday. I don't say the game will be air tight, but it will be some game.

M. E. CHURCH

Sunday morning, 10:30. Oscoda. Subject, "Mother."
Sunday morning, 11:30. Oscoda. Sunday school.
Sunday morning, 11:15. Tawas City Sunday school.
Sunday evening, 7:30. Tawas City. Subject, "Mother."
Thursday evening, 7:30. Tawas City Bible and discussion class.
Everybody will receive a most hearty welcome to these services. To our Bible class, we want you to come, many questions have been asked and answered, according to the Scriptures. The Bible is not the history of the world in general, but it is the history of how God has been working out His purpose through the ages. Come! This is the place to bring your difficulties you find so many people ready to throw at you concerning what the Bible says. And many times you will find what they say the Bible says; and what actually the Bible does say, is as far apart as the north pole is from the south pole, and totally shows the ignorance of the questioner.
Rev. George Smith, Pastor.

GREAT COMEDY AT THE FAMILY SUNDAY

"Clothes Make the Pirate," in which the delightfully funny Leon Errol is starring with Dorothy Gish, is a sterling screen achievement. It is a blending of satire, farce, thrilling sea fights and romance. See it sure. Matinee at 2:30. Shown with a comedy, "Wild Cat Willie." Special music by Miss Applin.

WHITTEMORE CHAPTER ENTERS TRI-COUNTY O. E. S.

The second annual meeting of the A. I. A. association, Order of Eastern Star, for the district of Alcona, Isocoda and Arenac was held at Whittemore, Tuesday, May 4. There was a splendid representation from all of the chapters in the district at both the afternoon and evening meetings.

The meeting was called to order at 2:30 p. m. by the president, Mrs. B. Fuqua of Lake Huron Chapter, Harrisville. The following officers were elected for the coming year: Mrs. Sara Brown of Hale, president, Arthur Elwell of West of Standish, vice president; Georgina Leslie of Whittemore, secretary; Mrs. A. E. Elwell of Standish, treasurer; Cora McDonald of Oscoda, chaplain, Mrs. Whiting of Standish, organist; Mrs. Hanson East Tawas, marshal.

A short memorial service by four members of Whittemore Chapter was given in honor of Miss Ina M. Bradley. A delicious dinner was served to about 160 members who greatly appreciated the hospitality of their host.

The average attendance at both afternoon and evening was estimated at 200. It was decided to hold the next meeting at Standish in October. Grand Warden Anna Brink of Bay City was present.

PAY DAY TO PAY DAY CREDIT PLAN

At a recent meeting of the East Tawas Retail Merchants Association, this plan was discussed and adopted. This is new to Tawas but has been tried and accepted in other cities, thereby giving to the customers the lower prices which they demand.

Wholesale houses are not extending the long credit time they did. Many mergers of wholesalers and manufacturers have been affected. The mail order houses and chain stores are bringing competition stronger each year by not extending any credit.

The success of the mail order houses and chain stores is proof that the cash system is demanded by the public. Beginning July 1st, 1926, the pay day to pay day credit plan will be in force by all members of the East Tawas Retail Merchants Association.

TOWNSHIP SPELLING CONTESTS COMPLETED

The final spelling contest for the townships was held at the Vine school last Monday. Much interest in these contests has been shown by the parents as well as by the teachers and pupils.

The winners in the townships in the order of the first, second and third places were:

Grant—Hazel Burt, 8th grade; Guy L. Latham, 8th grade; Muriel Smith, 7th grade.

Wilber—Lawrence Tomlinson, 7th grade; Lillian Newberry, 8th grade; Clara Holme, 7th grade.

Reno—Elwood W. McMurray, 8th grade; Rose Barnes, 8th grade; Ella Ross, 8th grade.

Alabaster—Henry Oates, 6th grade; William Reiter, 8th grade; Beatrice Ulman, 8th grade.

Plainfield—Elaine Lucas, 7th grade; Grace Teall, 8th grade; Bernidean Buck, 8th grade.

Burleigh—Margaret Lomason, 7th grade; Oramel O'Farrell 8th grade; Marie McBride, 8th grade.

Sherman—Grace Wood, 7th grade; Margaret Sase, 8th grade; Opal Kitche, 7th grade.

Baldwin—Marie Alstrom, 7th grade; Edwin Davis, 7th grade; Jennie Burgeon, 8th grade.

Tawas—Gertrude Schenkel, 8th grade; Adella Anschuetz, 8th grade; Henrietta Drzewicki, 8th grade.

In Burleigh the contest resulted in a tie between Margaret Lomason of Burleigh No. 3 and Oramel O'Farrell of Burleigh No. 2. Margaret was the youngest pupil to win first place in any of the contests. She is eleven years of age and in the seventh grade.

Three of the contests were won by boys, besides the tie in Burleigh and another boy won second place. Who says the boys can't spell.

Early in June at eighth grade commencement these pupils will spell down to see which township is to have the large banner for the coming year.

REDFORD MAN PURCHASES A J. BERUBE BOWLING ALLEY

Henry Biskner of Redford purchased the J. Berube recreation rooms at East Tawas last Friday. Mr. Berube disposed of this property in order that he might devote his entire time to his theatre. He plans on extensive improvements, which include enlarging, remodeling and redecorating. There will be a modern open lobby, new ventilating system, upholstered seats and rest rooms. The new picture equipment will provide a continuous show. Beginning June 1st the theatre will be closed in order that the work of improving can go on. About four weeks will be required for this.

"THE SEA BEAST"

JOHN BARRYMORE

John Barrymore in "The Sea Beast" comes to the State theatre on Sunday for a run of three days. The picture, adapted from Herman Melville's "Moby Dick" and produced by Warner Brothers under the direction of Millard Webb has been acclaimed as the most important photoplay of the year. It deals with the New England whalers of 1840 who, in their clipper ships, carried the American flag over the seven seas. It is said to have done for this heroic chapter in American history what "The Covered Wagon" did for the West—pioneers and the "Iron Horse" did for the building of the railroads.

Barrymore, who has not been seen in pictures since, as "Beau Brummel" he won the gold medal for the greatest acting of the 1924 season, is said to have contributed another masterpiece of acting to the screen in the role of Ahab Ceely, the fighting sailor whose towering pride and mighty strength carried him through blistering passion and murderous adventure.

Mrs. John Friedrichson was called to Flint last week by the serious illness of her daughter, Mrs. Joe Brown.

That's Different, of Course

There is nothing truer than that blood is thicker than water, and there is no greater evidence of this than when a man goes out with blood in his eye and a club in his hand to settle some boys who are raising a disturbance in the street and when he finds out that they are his own sons: "Oh, well, boys will be boys."—Liberty Press.

Hale Baptist Church Notes

The Mother's Day program will be rendered Sunday morning at the Sunday school hour, 10.30 local time. We invite you to attend church this day of all days. A special invitation extended to the Home Department members.

A goodly number enjoyed the stereopticon program presented by the boys last Sunday evening.

Next Sunday evening the girls will have entire charge of the evening service. Colored slides will be shown and the special music numbers will include a vocal solo by E. W. McGirr, a duet by Elaine Lucas and Dorothy Frost and a saxophone solo by Miss Mina Nunn. "I Think When I Read That Sweet Story of Old" will be sung by the primary girls and a special number will be given by the boys quartet, consisting of Harold Dorsey, Kenneth Frost, Lyman McGirr and Melvin Dorsey. We invite you to this hour of worship with the boys and girls.

During the past month in the Builders' class, Belle Greve led in daily Bible study, while Dorothy Frost won first honors in memorizing Scripture.

Rev. Frank Currey closed the series of special meetings at the Reno Baptist church last Sunday evening. We enjoyed Dr. Currey's two visits to our church.

Travels of Ducks

Wild ducks do not go better-skelter north and south when the seasons change, says the Baltimore Sun. They travel by well-defined air lanes, explaining why out of 10,000 lakes in Minnesota, for instance, there are about 9,000 where a wild duck is never seen. These lanes in the air are known as duck "passes" and invariably new flocks find them and year in and year out travel the same course.

Niagara Illuminated

The falls of Niagara were illuminated one night as early as 1884 by Albert Bierstadt, for the benefit of English railway men, by flashing powder on the ledge of rocks beneath the American falls. Since May 24, 1925, Niagara has been illuminated in colors for four hours every night, the lighting arrangements being made by the General Electric company.

Care Little for Christmas

The American consul general to Argentina says that "they do not have a Santa Claus in this country as we practice it in the United States, but on each sixth of January they dress up to a very limited extent what they call 'Los Reyes' (the kings), wearing a Santa Claus beard and a red or colored coat, but the performance is very tame and not at all general."

Mrs. George Gay, Sr., was pleasantly surprised on her 68th birthday, Saturday evening, when her seven children with families gathered at her home. She was presented with cut flowers, potted plants and other gifts. The evening was spent with music and games, after which dainty refreshments were served.

Controlling Climate

Climate is controlled to suit the most exacting needs in the work of the horticulturist and plant breeder in the greenhouses at the Wisconsin College of Agriculture. Many of the plants receive the light 24 hours a day, through the aid of large electric bulbs, kept burning all night. Temperature and humidity conditions are also scientifically controlled.

No Credit Coming to Him

A Portland (Maine) window dresser unconsciously earned a tribute for self-restraint, because, though receiving a painful injury while working a sheet in a window, he refused quietly and without a murmur. A friend expressed his surprise at the stoicism of the window dresser. The latter retorted: "How in the high city-blank could I swear with my mouth full of tacks?"

No Sense of Humor?

What's the matter, asks Charlie Townley with an injured air, when you tell your wife a joke and she goes on working, apparently not hearing you or hands you a bucket in the midst of the narrative and says, "Here, fill this with water!"—Copper's Weekly.

Famous "Greek Fire"

The fire invented and used by Calimachus in 688 A. D. to destroy the ships of the invading Saracens was composed of naphtha or liquid bitumen mixed with sulphur and pitch procured from green fir trees. Water, instead of extinguishing, quickened this agent, which the Greeks controlled with sand, wine and vinegar. The secret was maintained by the Greeks for 400 years.

Ford Highest in Quality Lowest in Price
Ford cars are built throughout of the finest materials that can be produced. The very best steels available are used in Ford manufacture. The plate glass for windshields and windows is as perfect as can be made. Upholstery material contains a larger percentage of wool than is ordinarily specified—even for much higher priced cars. The basic features of Ford design have never been improved upon by any manufacturer.
No other car offers greater dependability. The Ford car has won the favor of millions of users under every conceivable motoring condition. Its convenience is known and appreciated the world over; its performance is taken for granted.
Such quality is possible at Ford prices because every operation, from mining of ore to final assembly, is under direct control of the Ford Motor Company.
Iron is taken from Ford mines in Michigan; coal from the Company's mines in Kentucky and West Virginia. Glass comes from Ford glass plants; wood from the Ford timber tracts in the North. Raw materials and finished products are carried over the Company's own transportation routes; coke ovens, blast furnaces, a steel mill, foundries and saw mills—all are part of this complete organization. There are even salvage plants, paper mill, cement plant, etc., to transform waste materials into useful by-products.
In this way every possible economy is effected. Under no other circumstances could Ford quality be had at Ford prices.

The TALE of KIDDIE KATYDD

by Arthur Scott Bailey

FREDDIE WANTS TO TELL

AS SOON as Kiddie Katydd mentioned the word music, Freddie Firefly began to dance and shout. "There!" he cried. "You've just the same as told me that I was right. If you sang your 'Katy did, Katy did; she did, she did,' you would call it singing. But since you make that ditty by rubbing your wing covers together, it is music. And you just referred to it as such!"

Well, Kiddie Katydd couldn't say a single word. Freddie Firefly was right. They both knew it. And the secret was hopelessly "out." In fact, it was a secret no longer—unless Kiddie Katydd could persuade Freddie Firefly to keep the news to himself.

And He Flitted Away, Feeling Somewhat Peeved.

Freddie Firefly was ready to go to bed—about dawn. He was pondering over his difficulty, which bothered him not a little, when a terrific croaking from the direction of the swamp reached his ears. It was the final chorus of the Frog family's nightly singing party. And it promptly put an idea into Freddie Firefly's head.

"I'll hurry right over there and speak to Mr. Frog, the well-known tailor," he said to himself. "He knows old Mr. Crow. He sees him almost every day. And he'll be glad to give the old gentleman a message."

(© by Grosset & Dunlap)

paper as tell old Mr. Crow about it." "Ah! That's just the point!" cried Freddie. "Mr. Crow is a newspaper. Perhaps you didn't know it; but every Saturday he flies over Blue Mountain to the pond where Brownie Beaver lives and tells Brownie all the news of the past week."

"Then for pity's sake, don't let him hear of this!" Kiddie begged.

But nothing could have stopped Freddie Firefly.

"You're too modest," he said. "It's a shame to be able to make music the way you do and not let the neighbors know it. Why, the first thing you know you'll be one of the most famous people in this whole valley."

"But I don't want to be!" Kiddie Katydd cried. "I'm not like you. You go dancing about every night, flashing your light so everyone can see you. But I stay among the trees and shrubs. And I even wear a green suit—which matches the color of the leaves—so people won't notice me. Of course," Kiddie added, "I don't mind if the public hears my music. But I don't care to be seen, as a rule. And I don't like callers a bit!"

"You don't eh?" remarked Freddie Firefly. "Then it's time for me to be moving along. For I never stay where I'm not welcome." And he flitted away, feeling somewhat peevish—and all the more determined to get the news of the discovered secret to Mr. Crow at the earliest possible moment.

How he was going to do that he didn't quite know.

There was little chance of his seeing Mr. Crow, for the old gentleman only waked up at the time Freddie Firefly was ready to go to bed—about dawn.

He was pondering over his difficulty, which bothered him not a little, when a terrific croaking from the direction of the swamp reached his ears. It was the final chorus of the Frog family's nightly singing party. And it promptly put an idea into Freddie Firefly's head.

"I'll hurry right over there and speak to Mr. Frog, the well-known tailor," he said to himself. "He knows old Mr. Crow. He sees him almost every day. And he'll be glad to give the old gentleman a message."

Melting Ice Forms Bay
Two glaciers in northern Canada have melted and opened the district to a good harbor. When the international boundary line was fixed between Alaska and Yukon territory it ran through two big glaciers, from which Glacier bay derived its name. Since that time the glaciers have melted and the bay now extends across the Canadian territory.

Beautiful Time of Year
Indian summer is a term applied in North America to a short season of pleasant weather which commonly occurs at the end of October or early in November, but for which there is no fixed date. During this period the atmosphere is hazy and dry, the sky is red, the temperature is mild and rain is absent for an unusual length of time.

Strength of Hyena's Jaws
The hyena is one of the strongest of mammals, but it is known also as one of the most cowardly. A small dog has been known to send one flying. Only when cornered will it fight. Its jaws are strong enough to crush the shinbone of a horse. In Asia and Africa, where it is most commonly found, the animal is held in contempt because of its skulking habits.

Bubbles Indicate Leak
Air bubbles seen in the radiator solution indicate some sort of cylinder head gasket leak. The bubbles are the result of compression leaking out around the head and getting into the cooling system. This air, being under pressure, naturally finds its way to the surface of the water in the radiator.

If Wenzel Mochty will call at the Tawas Herald office he will receive two complimentary tickets to the State theatre.

Rabies
New York records show that the poodle does more biting than any other sort of dog. Often the poodle bites for the reason that a baby cries—in protest against too much pampering and mollycoddling.

WILBER

Mr. and Mrs. Erving Dawes of Flint spent several days here last week with relatives.
Erving Styles came up from Detroit and took his parents, Mr. and Mrs. Frank Styles, home with him where they will remain for an indefinite time.
Chas. Maule of Flint spent the week end with his family here.
Thos. Thompson and Fred Green have returned to Flint after spending the week with relatives.

District No. 4 Wilber

This week the teacher and pupils at Wilber No. 4 received a very useful present of some text books and reference books from Mr. Sempliner of East Tawas for which they are very grateful. If anyone has books which would be useful in school work, the rural schools would be very glad to get them when you are ready to dispose of them.
Wilber No. 4 is planning on a kite day in the very near future. So do not get frightened if you should see a fleet of kites sailing over your homes some fine day.

If W. L. Hinman will call at the Tawas Herald office he will receive two complimentary tickets to the State Theatre.

On the Level?
Some failures agree that the world is round only because they think it isn't square.

If Mrs. Carl Bischoff will call at the Tawas Herald office she will receive two complimentary tickets to the State Theatre.

A LINE O' CHEER
By John Kendrick Bangs

PREMONITIONS
I HAVE within a premonition deep
That permeates my waking hours and sleep
That very soon, not many days away,
Will dawn the glory of the smiling May.

I have a feeling nestling in my soul
That Father Time is speeding to the goal
Where loveliness abounds, and birds will sing
The blessings and the beauties of the Spring.

And sure am I that in some coming hour
'Neath the enchanting spell of some rare flower
The voice of Love the glad truth will repeat
That by the grace of God the world is sweet.
