WHITE CITY WINS PRE-SEASON GAME; 5 TO 10

Tawas opened the baseball season last Sunday with Alabaster. The game was good to look at until the seventh inning, when the error column began to pile up for Tawas.

Tate was touched to 13 hits while O. Johnson allowed only three hits in three innings, Jackson one hit in two innings and Rahl four in four innings, however the boys have not lost their batting eye, Musolf getting four hits out of five times at bat.

The good fielding and hitting of the Alabaster team was an outstanding point during the entire game. Only eight errors were located in the error column for Alabaster. While they only made eight hits, their base running, with the coaching of Manager Bolan, brought ten runs across the plate.

Next Sunday Tawas plays Oscoda at the beach diamond for the first scheduled game of the season, and it will be entirely up to the fans as to whether baseball is a success this season. With the proper spirit by the fans of this section, we are sure the personell led by Manager Musolf will give good account of themselves. Let's boost.

Second Inning
Alabaster—E. Benson fanned. Wodak grounded to Rahl but was safe when Moeller dropped the ball. Musolf caught him when he tried to make 2nd on Moeller's fumble. C. Benson fanned. No runs, no hits, one error.

Tawas—Moeller grounded out, Cameron to Gieman. Nielson hit a Texas leaguer, but was out trying to steal 2nd. O. Johnson flied out to Gieman. No runs, one hit, no errors.

Third Inning

Tawas—J. Johnson rolled out, Tate to Gieman. Boldt flied out to Tate. Rahl flied out to Springs. No runs, no hits, no errors.

Fourth Inning

Tawas—Musolf singled to deep center. Noel singled to right, Musolf taking 3rd on the hit. Libka struck out. Moeller rolled a slow grounder to Tate and was safe on 1st when Tate couldn't decide where to throw the ball. Musolf scoring. Noel scored on Benson's overthrow at the plate. Moeller stole 2nd and scored on Nielson's long single. Beck going to 2nd. Nielson was out trying to steal 2nd. G. Jackson singled to right. J. Johnson singled to left and Jackson stopping on 2nd. Boldt fanned. Three runs, four hits, one error.

Fifth Inning
E. Benson was safe on 1st when Nielson fumbled his grounder. He stole 2nd. Delosh grounded out, Jackson to Moeller. E. Benson going to 3rd. Rahl fumbled Beck's grounder and E. The first part of the program consisted of the ceremony of crowning of the May Queen. Each room had chosen a queen, but the real contest was between the queen of the first grade and the fifth grade. The final count was \$65.65 for Rosemary McKay of the 5th grade and \$65.52 raised for Marjorie June Doak of the 1st grade. Both were honored at the May festival, the contest being nearly a tie. The contestants and their attendants marched up the aisle and on the platform, girls of the fifth grade carrying baskets of pink flowers. The queen, Rosemary McKay, was crowned and presented with a pearl necklace by the little first grade and kindergarten pupils. The queen and attendants were seated on a throne and raised platform in the center of the stage while the program was given in honor of the queen, consisting of drills, folk dances, songs, plays, winding the May pole, etc. The program was well drilled and the costumes of the children were very pretty. Blaine Christenson acted as herald. Miss Irene Applin was the accompanist of the evening.

TAWAS PLAYS OSCODAIN FIRST LEAGUE GAME AT BEACH

Next Sunday at 2:30, central standard time, the Northeastern Michigan league gets underway with Oscoda playing at Tawas beach and Alabaster at Twining. Lloyd Blakely of Standish has consented to officiate at the Tawas-Oscoda conflict, which insures a well handled game both from the fan as well as the player standpoint.

Last Sunday's game which was lost to Alabaster gave Manager Musolf line on every man who showed up and proved that Oxel Johnson is the same dependable flinger as of old, if not more so. Rahl has bolstered up third base and the receiving station will not suffer with Stan Noel behind the plate. Jack Johnson, Hugo Boldt, Art Dillon and Eddie Libka will take care of the gardens in good shape and Musolf has lost none of his cunning at the keystone sack. Nielson and Fields are fighting each other to hold the short field position and Charlie Moeller will no doubts have lots of opposition in his efforts to keep the first base job. Hartley and Jackson will keep the infielders on their toes to hold their jobs and Lixey and Swartz will no doubt get into the outfield often.

The Tawas fans need have no fear that the home team isn't worthy of their support. They played good ball last year and will do it again this year. There are many more names on the eligible list than are named above and as soon as those players get out and work, they will give the team the reserve strength that is necessary to carry through a full season. If the fans will support the team as they should, there is no reason why the Tawas baseball club should not be one of the strongest aggregations in Northeastern Michigan.

A box of cigars has been offered by Henry Biskner of East Tawas to the first member of the team to pole a home run.

SOCIAL GATHERING FOR THE MOTHERS

The I. D. K. Class of the Methodist Episcopal church showed their love and great appreciation in a very practical way toward the mothers of the church by inviting them to a social evening on Friday last at the church. Games of various kinds were played and then a very dainty lunch was served, provided by the young ladies of the above class. The invitation was enjoyed by 32.

I wonder what the I. W. W. class will do now? Are you going to allow the I. D. K. class to put it over you as easy as that? Oh! What shall the answer be?

We wish to thank our relatives and friends, also the parents and children and school teacher of District No. 2, also Rev. Geo. Smith for his consolatory words, and the songs so beautifully rendered by Mrs. Horto and Mrs. Bright.

APPETIZING GOOD THINGS

WE ARE all looking for variety which will appeal to the appetites of those for whom we cook. The following salad may be enjoyed because it is different:

Kidney Bean Salad.
Take one can of kidney beans, two cupsful each of diced celery and apple, one cupful of diced dill pickles, two tablespoonfuls of chopped pimientos; mix and add mayonnaise.

Mayonnaise.
Into a bowl place two eggs; beat, add a teaspoonful of salt, one and one-half teaspoonfuls of mustard, four tablespoonfuls of lemon juice and one cupful of oil. In another dish mix two tablespoonfuls of flour, three of cornstarch, one cupful of water, two tablespoonfuls of oil. Cook until the starch is well cooked, then turn into the first bowl of ingredients while hot, mix and beat with a Dover egg beater, adding one more cupful of oil. This dressing will keep indefinitely when kept in a cool place. Thin with cream when using.

Chicken Warmen.
Cook in plenty of broth, one good-sized fat chicken. If small add two sweetbreads or veal to help out in bulk. Cut up the cooked meat as for salad, place in a double boiler to keep hot. Cook three bunches of celery cut into dice, in the chicken broth, with one small onion, diced. Remove the celery to another dish and keep hot. Add noodles to the seasoned stock and cook; drain and place a nest of noodles on a serving plate, over them the celery, over that the chicken. Garnish with very small croutons and serve very hot.

Why Is It?

That a woman will wear a ball gown when she doesn't care to dance, a riding habit when she wouldn't even think of getting on a horse, a golf outfit when she doesn't know how to play and wouldn't if she did, a bathing suit when the very sight of water makes her seasick, but when she gets a wedding dress she means business?
—Washington Dirge.
