We thank the judges and also Mrs. Hamilton, who assisted at the organ.

## Seventh and Eighth Grades

Our new books have proved to be very popular. Nearly all of them have been drawn out.  
We are using our new set of "Problems Without Figures."  
The slated map of Michigan proves to be very helpful both in eighth grade history, and seventh grade geography.

## Fifth and Sixth Grades

School is drawing near a close and everyone is working hard. We are in hopes that everyone will make his grade.  
Several pupils in our room attended the declamation and oratorical contest Tuesday evening.

The sixth grade language class is taking a series of tests. We had three perfect scores in the capitalization and punctuation test.  
Edward Ulman is back in school. It seems good to see him again.

## Third and Fourth Grades

We are enjoying the new library books, especially the animal stories.

## School's Out

## WILLIAM PAPPLE

William Papple, a highly respected resident, passed away Thursday, June 3, at the age of 67 years and four and one-half months.

William Papple was born at South Dumfries, Brant county, Ontario, January 18, 1859. He was united in marriage to Margaret C. Misener, also of South Dumfries, on March 10, 1880. Mrs. Papple preceded him in death six years ago.

Four children were born to them, three of whom survive, Mrs. Fred Boulder of Tawas City, Burton of Flint and Vernon of Reno. He is also survived by three sisters, Mrs. Nelson Ramey of Harrisburg, Mrs. Isaac Wilson of Jerseyville, Mrs. Arthur Lister of Branford and eleven grandchildren, besides a host of other relatives and friends.

The family moved to Michigan 28 years ago and settled on a farm on the Hemlock road where they lived until the death of the wife. Since, he has made his home with his children.  
Mr. Papple was a member of the Union Baptist church of Dumfries and was a true Christian, and a kind and loving father and will be missed by his family.  
Funeral services were held Sunday afternoon at the Baptist church with Rev. J. T. Jones officiating. The remains were laid to rest in the Tawas City cemetery beside his wife.

## MRS. H. Z. DAVIS

On Saturday evening, May 29th, at Harper hospital, Detroit, occurred the death of Mrs. Nellie N. Davis, wife of Rev. H. Z. Davis, former pastor of the Baptist church of this city.  
Nellie Herrington, daughter of Timothy and Sarah Herrington, was born at Pontiac, Mich., July 15, 1870. At the age of twelve, she with her parents and brother moved to Stewart, Nebraska. After her graduation from the public schools at Stewart she attended Gates college at Neligh Nebraska, afterwards teaching school until the time of her marriage on August 17, 1893, to Rev. H. Z. Davis. Two sons and four daughters were born of this union all of whom survive their mother and have been at home during her illness and death.  
Rev. Joshua Roberts of Tawas City conducted the funeral services and most touchingly spoke of Mrs. Davis as a devoted mother and a devout Christian. He told of her earnest labors not only in the various churches of which Mr. Davis has been pastor but also in all things which tend towards the upbuilding of the life of the community in which they have lived.  
Rev. and Mrs. Davis have been at St. Clair since December 1, 1925, and already have won the respect and affection of the people.  
Mrs. Davis was buried at Oak Hill cemetery, Pontiac. Besides her husband and children she is survived by a brother, Clyde, of Sentinel, Oklahoma.

The dates of the Rural Chautauqua at Nuttalls grove, Maple Ridge, are July 18 to 25, inclusive. Keep these dates open.

## M.E. CHURCH HAS SUCCESSFUL HOME COMING

The Methodist Church Home Coming which closed was an event of importance in the church affairs of the city, as it marked the 58th year of service of that church in the community. Much credit is due Rev. Geo. Smith and his co-laborers in making the event a success. The following is a report of the three day meeting:  
"Rev. and Mrs. Wm. J. Balmer, D. D., arrived Friday evening and took up their abode at the home of Mr. and Mrs. James Baguley, where they stayed during the whole of our services. He preached to a fine crowd on Sunday morning and had a greater crowd in the evening. The Sunday afternoon sacred concert rendered by the Methodist Episcopal church choir of East Tawas was one that was especially pleasing and will certainly be remembered by the fine crowd that gathered to listen, for some time to come."  
"The Monday evening lecture, given by Rev. M. L. Patterson was not in way whatever below in interest and spiritual tone to any of the Sunday services, and was given in a most pleasing way and manner. And again we had a wonderful attendance. Thus far, only good things has been said of both the lecture and lecturer.  
"The supper Tuesday evening was one of the great features of the whole home coming meetings, so well served in every way possible by the ladies of our church, that every one went away satisfied and speaking well of the magnificent supper.  
We thank our friends, one and all, who so willingly helped us, in making our home coming such a great success. Thank you."

Funeral services were held Wednesday afternoon at the Baptist church, Rev. Joshua Roberts officiating. Burial at the Evergreen cemetery.  
Robert was born April 2, 1870 on a farm near Durham, Ont. At the age of 15 he came with his parents to Michigan, who located at Pinconning. He went to Hale in 1918 and since that time has made his home with his brother, James, where he died.  
He is survived by one brother, James and one sister, Mrs. Cash Brandall, both of Hale, his step-mother, Mrs. John Morrison of Hale, three half brothers, William of Saginaw, Albert of New York and Stanley of Edenville, one half sister, Mrs. R. D. Brown of Hale, besides a number of other relatives.

## EXCELLENT PROGRAM SECURED THIS SEASON

The appearance of the Isoc county Chautauqua is rapidly approaching, July 20th to 24th, inclusive. This year an especially pleasing program has been secured. A forecast of this program appears below.

Harry G. Hill—"An Undiscovered World." Dr. Harry G. Hill, former College President, former Secretary of the International Association of Optimists Clubs, editor, author and Psychologist, is an orator of force and power, a man of splendid personality, who is in great demand for National Conventions and other like gatherings. He has a message that has a direct bearing upon the life of every individual.

Ethel L. Irwin—"Mexico" This is a lecture that is quite different from the ordinary run. It is as much an entertainment as lecture, five changes of costume, showing the dress worn by the different classes, being used. The lecture gives a very thorough insight into the habits and customs, as well as the political and social institutions of the country.

Ward B. Flaxington—"The Patriotism of Peace." A young man thinker dramatic and forceful orator, who demonstrated his patriotism during the war by fighting in the trenches over seas. He is now rendering equally valuable service by fighting the entrenched forces of greed and selfishness as opposed to patriotic service. A young man's lecture for young men.

Green and his Band—In 1923 Green and his Band established a high mark of musical excellence on this Circuit. Since that time we have had numerous requests to return to the Band over the Circuit. We are therefore very happy to present Green and his Band under the personal direction of Charles E. Green, presenting specially arranged programs of the type that have made this Band famous. This insures on Band day two of the most delightful sessions. Practically all of the music will be specially arranged for this Land. Many novelties will be introduced and like the Band programs of 1923, the programs of this year will be replete with surprises.

Frye & Co.—Leah Miles, saxophonist, soprano and pianist, and James Quellet, baritone and pianist, member of Frye & Co., will present at an afternoon session, a thirty minute musical program, and in the evening, will offer musical selections as special settings for a number of the illnesses by Frye.

The Harmony Maids—The Chautauqua management is convinced that this company will prove one of the most popular that has ever appeared on the circuit. Three young ladies of splendid personality and genuine musical ability will present programs unique and distinctly pleasing. Harriett Krauth, dramatic soprano; Lillian May Heuslin, contralto; and (Continued on last page)

### THE WHY of SUPERSTITIONS

By H. IRVING KING

#### CROSSING THE LINE

EVERYBODY has heard of—many have seen—the ceremonies with which sailors mark the crossing of the equator—the visit of Neptune to the ship and the ensuing "highlinks" which initiates the neophyte who sails for the first time below the "line." Formerly these ceremonies were seldom omitted; now they appear to be falling into desuetude. Still, if we could be given the power of sweeping the seas with a glance on this very day we should see many a ship slipping into the southern hemisphere on whose docks Neptune is holding his court and sentencing those who have never crossed the line before to the pains and penalties of duckings, rude shaving, etc., escaped only by the payment of a fine to be expended for the jollification of the crew.

The ceremony is a sailors' frolic now, Neptune the boatswain wearing whiskers of oakum; but it has come to its present state from a great antiquity and real sailors of the old school still feel that it is not good to cross the line without some notice being taken of the event.

The modern ceremonies are a survival of the ancient custom of early seafaring folk to sacrifice to their gods when entering unknown waters—especially to the sea-god, Poseidon as the Greeks knew him, Neptune as he was called by the Latins.

In ancient times ships did not sail below the equator and by the time they began to do so Christianity had replaced heathenism. But the old idea had lingered among seafaring folk, exhibiting itself in various forms, and when, toward the close of the Middle Ages, ships began to sail into the strange waters south of the equator the sacrifice to Neptune was revived,—or sprang up as a custom—practically in the form it is in today. All idea of reviving a heathen custom was denied but it was a clear case of atavism and underneath the ceremony of crossing the line still lurks the ancient superstition.

#### Great Financial Center

Lombard street is a street in London, famous for many centuries as the financial center of Great Britain. It derives its name from the Lombard money lenders of Genoa and Florence, who, in the Fourteenth and Fifteenth centuries, took the place of the persecuted Jews of "Old Jewry." One authority says the money lenders "were sent by Pope Gregory IX for the purpose of advancing money to those who were unable to pay the taxes so vigorously demanded throughout the country in 1229."—Kansas City Star.

#### Has Keen Taste for Water

The water diviner is known in England, but not the water taster. In Paris there lives a certain M. Duvalieu, who spends his days tasting water. So delicate is his palate that he can tell at once from what part of France, almost from what spring, the water has come. Also he can say when minerals are present and, roughly, in what quantities.—London Mail.

#### Rain Affects Cotton

Manchester, England, and neighboring cities have a damp climate which is especially adapted to the spinning of cotton. If the rainfall were suddenly to become only half as much as is characteristic of that section the industry would be seriously crippled.

Opal DeLong, accompanist and piano-acordionist. The program will consist of vocal solos, duets, character songs, costumed novelties and musical sketches.

The Parkinson Ensemble—An artistic instrumental trio, presenting the best in stringed music. Frances Parkinson, violinist ad cellist, Ruth Lash, pianist; Florence Hood violinist. In addition to the instrumental ensemble and solos, this company presents a very clever Dutch or wooden shoe costume sketch.

"The Bubble"—This delightful dialect comedy drama in three acts will be presented on the first night of the Chautauqua. This play proved a tremendous success during its original run in New York, as well as during its more recent engagement in other dramatic centers. The play is filled with humor, pathos, laughter and tears—in fact it is a play that runs the whole gamut of human emotions, but through it all runs a clean philosophy which remains long after the lines, the humor and the pathos are forgotten. It is a play which the whole family can witness and enjoy. Two hours of the most delightful entertainment is therefore assured.

"A Message from Mars"—Another dramatic production will be one of the most pretentious ever attempted on the Chautauqua platform. This is possible because of the fact that the lighting paraphernalia used on the stages in our tents is as complete and elaborate as that of many city theatres. It will unquestionably be the unanimous opinion of the public that this play is one of the best things ever done in Chautauqua.

Junior Chautauqua—This year we shall continue the policy established heretofore of giving the children of the community several extra days of Junior Chautauqua. The junior worker will be sent in three or four days before the Chautauqua opens and will conduct each morning, story and game hours free for all the children of the community.

The jawbone remained in the boy's family until about twenty years ago, when it was restored to the abbey, and by command of King Edward replaced in King Richard's tomb.
