Next Sunday's Games

The boys were a bit off form Sunday and weather conditions were anything but fair, so by adding a few errors to these in the early part of the errors and with the "Warlock" Urban on the mound for the Ioscos, the local boys were unable to overcome the lead taken by the opponents and the game ended in a defeat for Tawas, 14-4.

The game was not wholly lost on errors, it was merely an off day for the local boys and too they were getting all the "breaks" of the game. Of the eight hits received, less than half meant runs, while the Ioscos bunched their hits, and errors by the locals at the most critical moment meant more than half the number of runs the final score should have tallied for
