STAR SIX AND FOUR WIN YOSEMITE RUN PRIZES

The tenth Annual Los Angeles-Yosemite Economy Run recently staged under the auspices of the American Automobile Association, scored awards for both the Star Four and Star Six entries.

The route covers 360 miles over California's paved roads up the San Joaquin Valley with its grade and the tortuous curves of the Wawona Road.

A Star Four Touring car, driven by "Red" Hodnett, which averaged 29.09 miles per gallon of gas, carried off first honors in the four cylinder class A-1 event.

A Star Six Touring, driven by Ray Rogers, averaging 23.6 miles per gallon of gas, and consuming one quart of oil on the 360 mile drive, won first prize in class A-2 for six-cylinder cars selling under \$1,000.

A DODGE BROTHERS SEDAN

People are surprised to learn that this beautiful and sturdy car now sells for \$895.

They have heard so much about its exceptional value that they are under the impression it sells for a higher price.

Moreover, the Sedan possesses all the roominess and character of closed cars that call for a much greater investment.

It is substantial in appearance because it is substantial in fact. And serves its owners far beyond the period usually expected of a car at any price.

The body is all steel-safe, sturdy, fireproof, and smartly finished below the belt line in coolie blue lacquer, with cartouche yellow stripeupper body in black lacquer-shields and fenders in-black, oven-baked enamel.

Blue Spanish genuine leather upholstery, removable rear seat-back, and optional wood or steel wheels are included among many other features that commend themselves forcefully to the buyer.

Many who expected to buy a cheaper car, now find that Dodge Brothers product is well within their means. Many who had expected to buy something more expensive, now find everything they could possibly desire in these smart and dependable vehicles.

See the cars for yourself—and investigate our attractive time-payment plan.
