ALPENA PROVES JONAH TO TAWAS; WINS 2ND GAME

	Won	Lost	Pct
Alpena	7	0	1000
Tawas	7	3	700
Oscoda	4	6	400
Twining	3	7	300
Alabaster	2	7	222

Last Sunday's Results
Alpena 11—Tawas 6
Oscoda 3—Alabaster 2 (15 innings)

Next Sunday's Games
Alpena at Oscoda
Alabaster at Twining

Unless the other teams help materially by taking a fall out of Alpena, Tawas is slated for a berth lower than first place.

Last Sunday they fell on Konley and batted him out of the box, seven hits, a walk, a hit batsman, two stolen bases and four errors, totaling six runs in 3 2-3 innings, but with Darveau taking up the burden where Konley left off our boys calmly collapsed on attack. However that would have been enough had it not been for the old trouble, defense. Twelve errors were chalked up against the Tawas boys and they came at inopportune times mixed with hits.

It would seem that the difference in size between Alpena and the other towns puts a stop to the possibility of one of the southern teams winning from Alpena. Our team has gone good against the other teams but Alpena has been a Jonah.

Next Sunday the fast Schust Baking Co. team of Saginaw will play at Tawas Beach. Last year's Tawas team took two games from the Schust Crackers and if the defense will hold they will be able to do it again. Manager Musolf is pondering some drastic changes in an endeavour to bolster defense. The offense has been good all year. The game is called for 2:30 o'clock. Lets go.

Preparing for the Big Show

(Copyright, W. N. U.)

STATE THEATRE TO GIVE NOVEL DANCE

It has just been announced that the State Theatre will give a novel dance on August 24 at the community house in East Tawas. It is called the moving picture ball.

An expert camera man has been engaged to take the pictures of the dancers and after the films have been "shot" they will be developed and then shown at the State Theatre about a week later. This is something new and no doubt will be very popular with the people in general. It is expected that trimmings of a special nature will adorn the community house for this event and in all probability a large crowd will attend.

BIG FISH PULLS TWO ANGLERS INTO RIVER

Joseph and Leo Bay of Detroit, while fishing last Tuesday in the Ausable river, were both pulled out of their boat and into the river by a large pike which they had succeeded in inveighing to bite their hook. The water proved to be over the heads of the two Isaac Waltons, but after much strenuous effort the fish was landed. The big pike weighed over 29 pounds and was forty one inches in length. The fangs of the large fish measuring nearly an inch, with a jaw spread of 8 1/2 inches.

The two young men are sons of Mr. and Mrs. Martin Bay and are spending their vacation here.

FOR SECOND TERM

To the men and Women voters of Iosco County:

Having served as sheriff of Iosco County the major portion of my first term, I now come before you as a candidate for re-nomination. It has always been the custom to accord the incumbent of this office a second term, and I feel that my record of the past two years has earned this customary recognition. The duties of the office have been administered without fear or favor and with justice to all. If re-nominated and elected I shall continue to "carry on" in the same manner. Believing that "one good term deserves another" I hereby solicit your support and good will throughout the campaign and on primary day.

Respectfully,
Charles W. Curry

SMITH—LATTER

A very pretty home wedding took place at the home of the bride's sister, Mrs. Wm. Waters when Miss Dorothy P. Latter became the bride of Mr. Chester R. Smith of Flint. The house was prettily decorated in the bride's colors, pink and white. The double ring ceremony was performed by Rev. Joshua Roberts while the bridal couple stood under a large white wedding bell hung from an archway of white lattice trimmed with Evergreen and white Holly-hocks.

The bride wore a dress of white georgette and Val lace over Portorican hand embroidered white satin and carried a bouquet of roses, lily-of-the-valley and babies breath. The bridesmaid, Miss Violet Latter, sister of the bride wore a pea-green romane crepe and carried roses and sweet peas. Mr. Clare Smith, brother of the groom acted as best man. Little Shirley Waters, niece of the bride carried the rings in the heart of a rose. The bridal party entered the room to the strains of Mendelssohn's march played by Mrs. Byron Latter.

After congratulations were over, a dainty two course luncheon was served to over fifty guests of the immediate families. Out of town guests were Mrs. John Vavtoagen, Mr. and Mrs. Byron Latter, and infant daughter, of Millington, Mr. and Mrs. Roy Smith and baby and Miss Gladys Stoll of Lansing, Miss Beatrice Ruckard of Marshall, Mr. and Mrs. Archie Cogan of Brooklyn, New York and Mr. and Mrs. Stanley Ostrander of Flint.

Mr. and Mrs. Smith left immediately for a two weeks wedding trip through the east visiting Niagara Falls, Philadelphia, Washington D. C. and other points of interest after which they will be at home to their friends at Flint.

Both young people are widely known and highly respected for their sterling Christian characters. Mr. Smith is a son of Mr. and Mrs. R. Smith of the Hemlock road and has been employed in Flint the past four years. Miss Latter has been a successful teacher in the public schools for several years, having been normal and teacher in Frankfort during the last two years. They received many beautiful and useful gifts and the best wishes of their many friends go with them for a long and happy married life.

Smart New Rumble Seat For Sport Roadster

Rumble seats are justly popular. They add a smart, rakish touch to roadster lines, and increase the carrying capacity by two passengers. That Dodge Brothers Sport Roadster now provides this convenience, will be welcome news to thousands. Like the main seat, it is deeply upholstered in gray Spanish genuine leather, and the seat back is high and well pitched, providing unusual comfort. When closed, the rear compartment is absolutely waterproof, even in rainiest weather. Ample space is provided behind the main seat for golf clubs, suit cases, tennis rackets and similar luggage. Brilliant pheasant green lacquer body and hood, strikingly in contrast with the tan top, black fenders and full special equipment, complete a general color scheme of exceptional dash and charm.

Mrs. Sarah Johnson and Olive Pearsall are the newly elected lady directors of the Dorcas. They are to fill the vacancy left by the resignation of Mrs. Sarah Londo, who felt she could no longer carry the burden of the office. In appreciation of the splendid efficiency of her work, the society tendered Mrs. Londo a rising vote of thanks.

New Smoothness—New Features—New Colors....

Chevrolet again electrifies the world by increasing Chevrolet Values!

Now in the greatest year in Chevrolet history—building cars in tremendous volume to meet an ever-increasing worldwide demand—Chevrolet continues its successful policy of increasing Chevrolet values!

Everywhere, Chevrolet has been regarded as the world's finest low-priced car. For month after month the public has been sending Chevrolet popularity to new and record-breaking heights—because Chevrolet alone combined all the advantages of quality design and construction with lowest prices.

Now Chevrolet adds to the performance, beauty and completeness of equipment that have been winning the world to Chevrolet—

—by developing the smoothest Chevrolet in Chevrolet history, by enhancing its smart appearance and by adding features which increase the economy and satisfaction of Chevrolet purchase and ownership!

A triumph of engineering science and research, today's Chevrolet is the only low-priced car ever to offer every quality of smooth car performance. Forty to fifty miles an hour as long as you like without the slightest sense of fatigue! Remarkable smoothness at every speed! Acceleration that is a delight in traffic! Power that conquers hills and mud and sand—

—such are the almost revolutionary qualities attained by a new and superior method of mounting the motor in the chassis and by a new camshaft with scientifically determined quieting curves.

Arrange for a demonstration! Admire the brilliant beauty of the new and striking Duco colors on every model! Rich Algerian Blue on the Sedan; smart Thebes Gray on the Coach; Alpine Green on the Landau; Dundee Gray on the Coupe; and on all open models, modish Biscay Green. The bill of rights is the nearest approach to a written constitution which the United Kingdom possesses.
