"A good material that saved me money"

"That's what CELOTEX did. and here is how I figured it. First, I used CELOTEX for sheathing and got stronger insulated walls. This cost me less money than wood sheathing and building paper. Second. CELOTEX was used in place of lath. and the plaster bonds more securely on CELOTEX. It cost a trifle more, but I have paid dearly in the past for plaster patches and with CELOTEX I got a stronger sound deadened wall that will be free from lath marks."

"I was able to put in a smaller beating plant and less radiation because I used CELOTEX-so, you see, I saved three ways."

The story of what CELOTEX can do for you is merely suggested in this business man's remarks. Get the rest of it from us.

Twelve Years of DEPENDABILITY

It was Dodge Brothers distinction, twelve years ago, to create a more dependable car in its price class than previously had been known.

This enviable leadership Dodge Brothers have rigidly maintained.

Wherever difficult conditions try the souls of men and the stamina of motor cars, you will find Dodge Brothers product foremost in favor.

You will find also that six, eight and even ten years of service are not exceptional for the car; that frequently it delivers mileage running well into six figures; and that maintenance cost is remarkably low throughout its long and useful life.

These facts powerfully witness Dodge Brothers success in constantly bettering a product that was exceptional even at the start.

METHODIST CHURCH NOTES The members and friends of Hale Epworth League enjoyed a time of Charles Taulker left on Wednesday more than ordinary interest Monday people journeyed to Whittemore and were entertained by the Leaguers there. Fifty six people below the age of forty enjoyed their hospitality at ing contests and music formed the entertainment of the evening. Rev. McCurry gave short talk of interest in his usual pleasing way after which all were seated at tables very beautigood things to eat. We are very much indebted to the cabinet officers there who so successfully put this unusual affair across and we hope in the near future to be able to return the compliment in our own church home at Hale.
