## SERIES OF REVIVAL SERVICES CLOSE TONIGHT

The revival services held in this city under the auspices of the Baptist church will come to a close this (Friday) evening. Evangelist R. H. Stoll of Sandusky, Ohio, who has been conducting the services, is an effective and earnest speaker and was greeted at each session with a large and appreciative audience.

The following are excerpts from the sermon delivered Monday evening:

"Tonight I am to speak to you on the subject, 'How to Know You Are a Child of God.' The Gospel of John was written that ye might believe that Jesus is the Christ, the son of God; and that believing ye might have life through his name. John 20:31. The first Epistle of John was written unto you that believe on the name of the son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the son of God. 1 John 5:13. The Gospel, in other words, was written to the world to give a foundation for faith; the Epistle to Christians to give a foundation for assurance. The Gospel shows the father's thoughts and ways about his son. The Epistle shows the father's thoughts and ways with the sons. The Gospel leads us across the father's threshold, the Epistle makes us at home in the father's house. The key words of the Gospel are 'Faith and Life.' True spiritual life comes only through faith in Jesus Christ. Apart from Christ there is no spiritual life. The key words of the Epistle are 'Love and Fellowship.' There is no real love apart from the life which is in Christ Jesus. The word 'born' appears seven times in the first Epistle of John. Our Lord Jesus said to Nicodemus, 'Ye must be Born Again.' John 3:3. The following passages in the first Epistle of John tell how a person may know he is saved:

John 5:1. "Whoever believeth that Jesus is the Christ is born of God. What does it mean to believe? In John 1:12, 13 we read, 'But as many as received him, to them gave he power to become the sons of God.' To believe Christ is to receive him. 'By Nature we are the Children of Wrath' Ephesians 2:3. It is only through receiving Christ that we become the sons of God. Our physical birth gave us entrance into this life, but it takes another birth to give us entrance into spiritual life. According to the passage of scripture any one who does not believe that Jesus is the Christ is not born of God. This world will never forget that there was such a character as Jesus Christ, but the world is apt to forget who Jesus Christ is. He is very God of very God, now if you can truly say I believe (which includes the reception of him into your life) that Jesus is the Christ then you may say 'I am born of God.' 1 John 2:29. 'If ye know that he is righteous, ye know everyone that doeth righteousness is born of him.' The word doeth means practiseth. If a person declares he is a Christian and continues to indulge in sin it is proof he is not born of God. It is as natural for saved people to practise righteousness as it is for the sparks to fly upward, a person really born of God is a new creature, old things are passed away; behold, all things are become new. 2 Corinthians 5:17. Ask yourself the question, Do I enjoy sin?"

### SCHOOL NOTES

#### High School

Mr. Crowe looks like a Napoleon on the battlefield with his baseball staff, giving commands to his army of baseball boys.

The bolting down of the typewriters to the desks in the commercial room in quite an improvement over the previous movable kind, so the typists say.  
A large, cleanly punctured hole in an assembly window has offered better ventilation for the past few days. "Buzzards, watch those pegs."

County school commissioner, Margaret Worden, gave an interesting talk on the purposes and advantages of a county normal training before the Senior class Tuesday afternoon. However, few application blanks were returned.  
Because of illness at the time the declamatory contest was held, Myrna Sommerfield and Louise Gackstetter gave their declamations Friday morning. Following this, Rev. Ralph H. Stoll gave a short speech which was enjoyed very much by the students and teachers.

Mr. and Mrs. Bogue motored to Detroit for the week end. Mr. Crowe accompanied them to Royal Oak.

#### Seventh and Eighth Grades

We are reading "Pollyanna" for morning exercises now.  
Levi Ulman has left school.  
Evelyn Rempert has been absent this week.

We enjoyed the talk given by Rev. Stoll last Friday morning.  
Several of our people have written essays on "Tuberculosis" for the state contest. It hasn't been determined which shall be sent to the county commissioner's office yet. One essay is to be selected from the county and sent to Lansing to be judged by the state judges. We hope to know the results in the near future.

#### Fifth and Sixth Grades

We had one hundred per cent attendance Tuesday.  
At the close of a silent reading lesson Tuesday, the sixth grade expressed a desire to dramatize "The Three Dwarf Brothers." We decided to begin by writing the play.

The name of one of the sixth grade banks has been changed to "Imperial Savings Bank."  
The total amounts deposited at the present are, Imperial Savings Bank, \$50.00; Sixth National Bank, \$45.00.

#### Third and Fourth Grades

Jean Robinson was the only one in the room to have perfect spelling lessons all last week.  
The fourth arithmetic class is now struggling with long division.  
The new third grade spelling booklets have Easter baskets on the covers. For each perfect spelling lesson a colored Easter egg is won to put in the basket.

#### Ward School

Emma McCormick has been at Bay City for medical treatment during the past week.  
The first grade language class is memorizing "The Rock a by Lady."  
Florence McDonald visited our room Tuesday.

Patricia Breddock, Bobby Mark and Billie Mallon had perfect spelling lessons all last week.

## WILL MAKE TUBERCULIN TEST OF CATTLE SOON

"We are planning to start the tuberculin testing of cattle in your county, under the co-operative plan, in the near future," states B. J. Killham, veterinarian of the State Agricultural department in a letter to County Clerk, Frank Dease. The board of supervisors, at the June session, voted to have the cattle in Iosco County tested and the letter from which above was taken is an assurance that the department is now nearly ready to go on with the work.

The tuberculin testing of Iosco county cattle is a move in step with better dairying practice and will open a new market for dairy cows. There has existed for some time in the east a profitable market for the dairy breeds of cattle. Heretofore Iosco has been barred from the market owing to the fact that it was on the non-tested list.

## COLLECT 86 PER CENT OF IOSCO'S 1926 TAXES

It is noticeable that the heaviest returned taxes are from the farming communities and that the returned taxes from these sections are increasing each year.

### JOHN GARFIELD WESTERVELT

John Garfield Westervelt was born in Hartland, Livingston county, Mich., September 27, 1844 and departed this life March 19, 1927, the cause of death being angina pectoris.

He had been a resident of Iosco county for more than 50 years, and of Reno township for 21 years, having successfully followed the occupations of blacksmith, farmer and merchant. He has also held various offices of trust in the community.

In the passing of John Westervelt at his home in Reno Saturday, the community has lost a well respected citizen, noted for strict honesty in all his dealings.

He was a faithful friend, a loving and kind father and husband, and he will be sadly missed. The bereaved family have the sympathy of their many friends.

The funeral was held Tuesday from the Hale M. E. church and interment was made in the Hale cemetery.

Those who came from a distance to attend the funeral were Mr. and Mrs. Charles Westervelt, daughter and son, Blanche and Robert of Lennon, Mr. and Mrs. William Glendenin, Elgin and Ellsworth Glendenin, Mr. and Mrs. Duncan Boomer, all of Flint.

### THE "MAGICIAN"

"The Magician," which will have its first showing at the State Theatre Sunday, Monday and Tuesday, April 3, 4 and 5 (Matinee on Sunday) is the first Rex Ingram production for Metro Goldwyn since his widely discussed and highly successful screen version of Blasco Ibanez' "Mare Nostrum" which the people of this county enjoyed a much during its recent showing at the State.

The story of "The Magician" is that of a girl caught between the forces of a Magician, whom she is unable to resist, and the love for a young surgeon who has saved her from being helpless by performing a delicate operation on her spine, which started the surgical world.

Alice Terry enacts the part of Margaret Dauncey, the young sculptress and gives one of the finest performances she has ever registered on the screen. Paul Wegener has the title role and this noted German character appears to even a better advantage than he did in several other great dramas.

Mr. Burch Foraker, President, Michigan Bell Telephone Co., 1363 Cass Avenue, Detroit, Michigan.

Dear Sir:

We desire to tell you how important the long distance telephone service has become in our business. Some years ago it was a convenience, but this service is now in daily use by our Executive Sales and Purchasing Departments, and is just as necessary and urgent to their operation as the mail and telegraph.

When an immediate decision is necessary or a quick answer is required, there is nothing that will take its place.

Very truly yours,  
McCord, Bunker & McCo.

Specifically it included the golden club and the arrow arum, both having fleshy rootstocks, acrid when fresh, but rendered edible by cooking and abounding in starch. Stale of Port Austin acted as toast master for the evening, while the orchestra of the East Tawas M. E. church furnished music for the evening, also Miss Mina Nunn gave a saxophone solo accompanied by Mrs. Rahl at the piano. Eugene Glendon gave the response for the boys in a very interesting way. He presented some ideals which boys expected their fathers to live up to, which were well worth remembering. Mr. Evans and Rev. Hagle of East Tawas each presented many interesting thoughts. The boys and girls are to be congratulated on the splendid way in which they all helped make this affair a success. The proceeds of the evening amounted to \$26.00. **Wheat Products for Food**

It has been calculated that wheat flour bread and crackers, pastry and similar products constitute 19 per cent of the total food of the average American family, furnishing about 27 per cent of the total protein, 6 per cent of the total fat and 46 per cent of the total carbohydrates. They contain a high percentage of starch and may be profitably combined with materials rich in protein, meat, eggs, etc., to form a well-balanced diet.

The Post Office department says that the following stamps have been issued since 1924: Huguenot-Walloon tercentenary stamps—½ cent, 1½ cents; ordinary stamps—13 cents, 17 cents; Lexington-Concord commemorative stamps—15 cents; 20 cents special delivery; 25 cents special handling; Norse-American commemorative stamps; air-mail—10 cents.

**COOK'S FAMOUS RACING GREYHOUNDS OF PINCONNING, MICH.**

The officials of the Greenville Free Fair are to be congratulated on their good judgment in securing such a splendid line of free attractions. Each one was the very best in their particular line.

FLASHLIGHT  
Champion Greyhound of Michigan

A particular interesting feature was Cook's racing Greyhounds. Greyhound racing is the new popular sport. Several big new expensive racing plants having been built at a number of the big cities in the United States; the latest one at Toledo, Ohio where a 60 day meet is now in progress, and as many as 16,000 people turning out to see the races at one time, and some of the stakes being as high as \$5,000. Mr. Cook's act works well with a fair program as there is no equipment of any kind required. Flashlight, the beautiful white female pictured above covered the distance a little short of 1/8 of a mile several times during the fair in 10 1/2 seconds. The world's record for 1/8 mile for a whippet, the fastest animal in existence, is covered in 11 seconds. Mr. Cook states that he is confident that several greyhounds in his stable can cover the distance in 12 seconds. Mr. Cook is to be congratulated for the goodness and success of his enterprise—Greenville Independent.

**Scoring Lawn Tennis**

In the early days of lawn tennis two methods of scoring were used, almost indiscriminately. One of these was the scoring used in the game of "racquets" and the other the "tennis" scoring. In 1878 the "tennis" method of scoring was adopted and the "racquets" scoring abandoned. No material change in the method of scoring has been made since 1878.

ning? If you find out you do, then you need to be born of God. Oh, make sure you have passed out of death into life. John 5:24. It is always better to be safe than sorry.

1 John 3:9. "Whosoever is born of God doth not commit sin, for his seed remaineth in him, and he cannot sin because he is born of God. In the Weymouth translation it reads this—'No one who is a child of God is habitually guilty of sin.' A god given germ of life remains in him, and he cannot habitually sin, because he is a child of God.

A person not born of God has only one nature. The old nature is fallen and capable of producing only that which is evil. When Christ is received as Saviour God gives a new nature

which Peter calls the 'Divine Nature.' 2 Peter 1:4. This nature which is of God cannot sin. The old nature does nothing else but sin.

1 John 4:7. "Everyone that loveth is born of God, and knoweth God." When Christ comes into the life, the love of God is shed abroad in our hearts by the Holy Spirit which is given into us. Rom. 5:5. It is Christ who loves people through us.

1 John 5:18. "Whosoever is born of God sinneth not; but he that is begotten of God keepeth himself and that wicked one toucheth him not." The wicked one here is Satan. A person born of God is kept by the power of God and is no longer under the control of Satan, the God of this age. 2 Corinthians 4:4.

1 John 5:4. "Whosoever is born of God overcometh the world, even our faith." We are either victors over this

world with all of its passion and pride or victims of it. We are either overcoming it through faith or being overcome by it. May God show his people that there is power to overcome this world through faith.

"In conclusion, it behooves each one of us to ask the question, have I been born of God? These passages answer this tremendously important question. Where we will spend eternity is determined here. Many are going to Hell with the way of Heaven in their head. May we look up to God and say, 'I really want to be born again—I now receive Christ as my personal Saviour. Will you decide today is the question before you. God help you.'
