OVERWHELMED WHITE CITY

Last Sunday's Results Alabaster 23-Tawas City1. Hale 23-East Tawas 15. Next Sunday's Games Alabaster at East Tawas.

Tawas City at Hale. Tawas met Alabaster last Sunday at Alabaster in the opening game of the season and was overwhelmed by

a score of 23 to 1. Both Moeller and Jackson were out of practice and consequently had poor control. The Alabaster boys took advantage of this and hit both with too much liberty, getting a total of eighteen hits, consisting of two triples, six doubles and ten singles. The support given them was also very poor. Heralded thus, the Tawas City boys went gallantly on-to defeat.

In the line-up for the White City, each position was well represented, leaving no weakness to the team. Tate and Clayton, hurlers of last Sunday's game, were apparently in fine trim, allowing only five hits which were

untimely taken by the local team. Next Sunday, May 29, Tawas City goes to Hale. A good game is expected. Be there.

LOW RATES for time payments on these cars

NY FAMILY entitled to credit may buy a General Motors car and pay for it while using it, under the GMAC Plan.

When time payments first became an accepted form of car purchase, General Motors organized its own finance company, the General Motors Acceptance Corporation, to make sure that the sale of its cars on time would be in the buyer's interest and that the finance charges would be fair.

GMAC rates have always been low; and the last reduction has saved General Motors' customers more than \$12,000,000.

The General Motors line includes "a car for every purse and purpose"-a suitable model for every income. You can buy it out of income, paying no more than the cash delivered price, plus only the low GMAC financing charge. And the whole transaction is so conducted as to keep your goodwill and satisfaction.
