New York to Paris With Mobiloil

In this epoch-making flight, Captain Lindbergh insisted that Gargoyle Mobiloil "B" be used to lubricate the Wright Whirlwind engine of the "Spirit of St. Louis."

Thus another chapter is written in the vivid history of American aviation in which Mobioil has played its part.

When Commander Byrd flew to the North Pole-he used Mobiloil "B." When Bennet took Byrd's plane on the tour of the states in 1926-he used Mobiloil "B." When Lieut. Maughan in 1925 flew across the United States "from dawn to dusk"-he used Mobiloil "B."
