MANY ATTRACTIONS SECURED FOR IOSCO FAIR

Boys' and Girls' Agricultural Clubs Will Make Exhibits at County Fair

Charles Conklin, president of the Iosco County Agricultural society, in speaking of the approaching Iosco County Fair, says:

"As the dates of the 1927 Fair draw near, the officers of the association are busy getting everything in readiness for what promises to be one of the best fairs ever held in Iosco County. They report a greater interest being taken this year than in the past.

"Minor improvements have been made at the grounds, including painting of the new barn and making needed repairs.

"A new feature in this year's fair will be a display of fireworks on Wednesday, Thursday and Friday evenings.

"Some good acts have been booked and every effort has been made to avoid getting acts similar to those had in the past. Several special premiums have been offered for boys' and girls' clubwork and it is expected that more will be secured before the fair."

IOSCO COUNTY BOYS AND GIRLS CLUB WORK

This spring a visit was made to practically every rural school in the county by W. E. Sutcliffe, agricultural instructor of the East Tawas high school and a large number of boys and girls signed up for agricultural club work. Several of the boys secured fine calves, a number of others put in one-fourth to one-half acres of potatoes. Others planted a garden. So every boy and girl to his or her liking.

"Many visits," says Mr. Sutcliffe, "have shown that a good share of the boys and girls are carrying on in fine shape. The almost unprecedented dry weather has nearly proved fatal to some of the crops, but others are doing well.

"Now all are making plans for the Iosco County Fair. Early in the summer Nevels Burson of the Michigan State College, gave the Cal Club members some special instruction in fitting and showing calves. Some of the older exhibitors will need to look sharp if they are to win the coveted blue ribbons. The boys and girls have a chance for the regular premiums as well as their own."

"The president informs us that many, very much worth-while special prizes are also being offered.

"We wish to take this opportunity to ask all parents to co-operate to the fullest extent in getting the children to bring their exhibits to the fair."

Mr. and Mrs. Chas. Zink and family

Mr. and Mrs. Ed. Bartlett and family

Mr. and Mrs. Ernest Moeller, Sr. and family

Mr. and Mrs. Albert Moeller and family

CARL ZINK

Carl Zink, resident of Tawas City for the past 46 years, died here Saturday afternoon after an illness of a few hours. Acute indigestion was the cause of death. The deceased, who has been living with his son, Charles, at Bay City for the past few years, had been spending the summer here.

Carl Zink was born July 22, 1842 in Germany and was 85 years and 29 days old at the time of his death. In 1871 he was united in marriage to Mrs. Hermina Moeller and came to the United States shortly after. In 1881 the family came to Tawas City. Mrs. Zink died in September, 1922. He is survived by his son, Charles Zink, Jr., of Bay City, two step-sons Ernest Moeller, Sr. of this place and Albert Moeller of Petoskey and step-daughter, Mrs. Edward Bartlett of East Tawas and a brother, Ferdinand Zink of Petoskey.

The funeral services were held Tuesday afternoon from Zion Lutheran Church. Rev. F. A. Sievert officiated. Interment was made in the Plank road cemetery.

The following relatives from out of the city were here to attend the funeral: Mr. and Mrs. Chas. Zink, Jr., sons, Arthur and Albert and daughters, Dorothy and Ruth, of Bay City; Mr. and Mrs. Albert Moeller of Petoskey, Mr. and Mrs. Arthur Bartlett of Detroit, and others.

CAR OF LOCAL MAN STOLEN WEDNESDAY

On Wednesday evening while Geo. Springs, a member of the Tawas City fire department, was called to a brush fire in the swamp behind the residence of Wm. Rouillier, his Essex car was stolen from in front of Ferguson's store.

Sheriff Curry was notified of the theft and on Thursday morning word was brought in that a car was near the East Branch river bridge. Sheriff Curry and Mr. Springs immediately went to the place, finding the accessories, tires and radiator removed and the remainder of the car burned.

EAST TAWAS WINS FINAL FROM HALE

Hale was the victim of a one-sided affair against East Tawas last Sunday that ended in a score of 15 to 3.

This was the final game between these two teams for the season. It was also the last scheduled game in which East Tawas was to take part. Next Sunday Tawas City plays its final scheduled game against Hale at the Tawas Beach diamond.

Since it is the final game that Tawas City plays, with the possible exception of playing a former game that was rained-out, a good turnout is to be expected.

The Irene Rebekah Lodge will have its August birthday party and kitchen shower on Wednesday, August 31.

IT USED TO BE "LONG GREEN"; IT WILL BE "SHORT GREEN" SOON

Speak of "long green" and nearly everybody will know that you're talking about money, those one-dollar and five-dollar bills which Uncle Sam issues as his promise to pay in gold or silver, if you prefer. But it won't be long now until the term "short green" will have to be substituted for the more familiar name, because for the second time since Alexander Hamilton established our currency system a radical change is to be made in our paper money.

Of course, this new money may not be any easier to get than before, but after you get it, it's going to be easier to count and easier to handle. And if you'd like to why it will be, as well as many other interesting facts about money which you may never have known before, don't miss the illustrated feature article "The Shrinking Paper Dollar," by Elmo Scott Watson, in this issue of The Herald.

BIG DAIRY DAY AT SERRADELLA FARM

On August 19th the dairy farmers of Alcona and Iosco Counties gathered at the Serradella Farm for the annual outing of the Alcona Cow-Testing Association.

The automobiles started to roll in at Serradella at about 10:30 a. m. The forenoon was spent informally, when groups were scattered around the different buildings inspecting the herd, machinery and fields. At 12:30 the bell rang, official call for lunch. The groups were gathered in the Serradella Club House, where tables and benches were provided for the occasion. The farmers' wives got busy unloading their baskets of goodies. Serradella Farm provided some ice cream and fresh cold Holstein milk for the crowd.

Promptly at 2:00 p. m. the program opened with a parade of Serradella Celebrities. The parade was headed by the Percheron Stallion Orby Boy, followed by a group of his off-spring. Then followed a group of cows led by Doress Canary Rag Apple and a group of her sisters. "Jimmy" Hays, secretary of the State Holstein Friesian Association, called the attention of the visitors to the importance of the herd sire. The sire of this splendid group, Sir Rag Apple Colantha, was sent to the butcher before his daughters came into production. His seven daughters at the Serradella Herd have all proven their ability as producers and of splendid type. His two daughters, Dora and Doress, are the leaders.

After the parade, Doress Canary Rag Apple was retained in the ring for a judging demonstration. "Jim" Hays spoke about the essentials of dairy type and what to look for in selecting dairy cows. It is needless to say that the crowd enjoyed "Jimmy's" talk.

Casper Bloomer, County Agent and tester for the Alcona County cow-testing association, spoke on the subject of selecting a herd sire. Calling the attention of his listeners to the daughters of the Serradella herd sires.

There were farmers from Alcona, Iosco, Arenac, Alpena and Tuscola counties. The crowd left for home at 5:00 p. m. with a feeling that they had spent an interesting and enjoyable day.

JOHN KECK

John Keck, who has been seriously ill for several months and during the past three weeks was in Ann Arbor for treatment, died there early Saturday morning. The remains were taken to Hale and funeral services held on Tuesday afternoon at the Baptist church. He leaves his son, Sherman Keck, a nephew, Frank Keck, of Hale and many friends to mourn his demise. Mr. Keck had lived in Hale for many years, owning a farm four miles north of the village. He was 79 years old. The remains were laid to rest beside his wife in Evergreen cemetery. Out of town relatives who were here to attend the funeral were: Mr. and Mrs. Coakley of Lansing, Mr. and Mrs. Goodhall and family, Mr. and Mrs. Chas. Keck and family and Mrs. Ida Woodman, all of Ashley, Michigan.

McGUIRE-LANSKI

A very pretty wedding took place Monday morning at 7:30 o'clock at St. Joseph's church in East Tawas, when Miss Margaret McGuire, only daughter of Mr. and Mrs. James S. McGuire of East Tawas became the bride of John Lanski, son of Mr. and Mrs. George Lanski, of this city. Rev. Brogger performed the ceremony.

The attendants were Miss Anne Hopkinson of Alpena and the bride's brother, Austin McGuire. Immediately following the ceremony a wedding breakfast was served at the Holland Hotel to twenty-five guests. The young couple left on a motor trip to Niagara Falls and other points for a couple weeks. They will make their home in Tawas City. Congratulations.

The bride was becomingly attired in a white georgette and silk ensemble suit and white felt hat and carried white roses. The bridesmaid wore a pink crepe frock and white hat and carried pink roses.

Mr. and Mrs. Donald McGuire of Detroit, Mrs. O. F. Beemer of Grand Rapids, Mr. and Mrs. Charles Ellis of Owosso and Mr. and Mrs. Frank Lanski of Detroit were the out-of-town guests.

BIG PROGRAM FOR COMING STATE FAIR

Michigan's State Fair will open Labor Day for its seventy-eighth annual harvest exposition on Labor Day, Monday, September 5. There will be day and night shows all week, on closing Saturday, September 10. There will be no Sunday show.

The Fair combines an agricultural exhibit with an industrial exposition, prizes in various departments aggregating \$107,000. To make ready for the constantly growing institution considerable improvements have been made this summer. Four new horse barns have been built and more than 500 race horses can now be accommodated on the Detroit track. All buildings have been painted, with new walks, sewers, lighting and other repairs made. Two band stands, platforms and dressing rooms are among the other improvements.

While the many exhibition halls and the Midway Shows will be of even greater scope and interest than usual. This year the Fair management has shattered all past marks in free entertainment. No less than 25 free vaudeville acts are on the program in front of the grand stand. Air novelties, acrobats, clowns, thrills and animal acts including two herds of elephants are included.

COACH F. H. YOST GIVES ADDRESS AT KANOTIN MEET

Speaker Tells "Why Michigan Wins" at Long Lake Thursday Evening

Members of the Kanotin Club and their guests, about seventy-five people, were treated to one of the best addresses possible when Coach Fielding H. Yost of the University of Michigan accepted an invitation to talk before the Club at their meeting held at Long Lake on Thursday of last week.

Coach Yost took as the subject of his address "Why Michigan Wins." He showed that Michigan has won 75 per cent of the major championships in the Big Ten and has the best record of any university in the United States. He reviewed his over twenty-six years in the University of Michigan and paid tribute to the boys of past years by saying that he had never heard of a man on a team doing anything that would bring discredit to the honored name of Michigan.

In his reasons for the "why" of it the Coach told how each man is drilled to rever the name of his University to such an extent that they will never even dream of bringing discredit upon it. That he will give up those things that tend to harm his body and his brain and will develop his moral and spiritual sense as well as his physical body as near perfection as possible for Michigan. He also spoke about the good loser and it gave the assembly present an insight into the character of the man speaking before them when he told how he came closer to his boys after the loss of a big game than after victory.

Exercising clean living and clean thinking was given by the Coach as the reasons "Why Michigan Wins" and the people within sound of his voice could not help but feel that it was, to a great extent, the clean living, clean thinking personality of Coach "Hurry Up" Yost that guided the thoughts and lives of Michigan's boys on the path to victory.

The Coach told of his dream of having every boy and girl in the University in some form of athletics and spoke of the progress already made. He also explained that anyone who wrote the Athletic Board of Control, University of Michigan, Ann Arbor, asking for seats at any of the games there had just as much right and no less preference than any of the alumni.

INTERESTING INCIDENT IN RECENT T. B. CLINIC

Racing across Saginaw Bay in a hired speedboat, the wife of a Bayport physician brought one of her husband's patients to the clinic of the Michigan Tuberculosis Association then being held at Tawas City. The physician's wife explained that her husband was unable to come himself and since he desired the patient to be examined, she had volunteered to act as attendant, and she and the patient had taken the quickest route to the clinic. The examination and diagnosis was made and patient and acting attendant returned to Bayport in the speedboat.

THE TAWAS HERALD

P. N. THORNTON, Publisher

Published every Friday and entered at the Tawas City, Mich., Postoffice

With summer vacations drawing to a close, pupils of our schools and their parents should turn their minds to the important business of continuing youth's education.

The recent flight of Lindbergh is an inspiring example of seeing the task through. Just as Lindy turned his plane East and set out for Paris, so must the student turn his thoughts toward our educational institutions with the determination, "On To School."

We should employ as much determination, zeal and thoroughness in continuing this great adventure as Lindy did in his flight to France. The happy partnership of Lindy and his plane, which he termed "we," finds parallel in our partnership with our schools. We should unite the spirit of youth with the spirit of education, just as Lindy joined the "Spirit of America" with the "Spirit of St. Louis."

Lindbergh did not make his trip primarily for gain but for accomplishment. However, the former proved a valuable by-product. Let us follow his example, and, as he did, continue our flight in education for the good of the nation and the cause of progress, as well as for the returns to youth. Though the impulse is unselfish its fruits are substantial, for out of such enterprise springs the inspiration that generates creative power. A hundred plans in aviation are maturing because of Lindy's signal achievement. A thousand ad-

vantages accrue from the achievements of education.

Pupil no less than aviator must follow through to attain success. Lindy did not stop with the acclaim of the world ringing in his ears. He had just begun his start on a constructive career. He had finished but one lap of the race. The same application can be made to commencement and promotion in our schools; these are but steps to a higher service.

Parents are reminded that Lindbergh's backers had no guarantee of any returns. Loyalty and admiration for the spirit of this youth and the cause he championed inspired them to make any necessary sacrifices. This should be the attitude of parent and taxpayers who appreciate that education is the foundation for life.

It is timely, then, right now, when school days are just ahead, to turn our eyes toward our schools, also toward our boys and girls called on for an important decision, and sound the slogan, "On To School."

Oases in London

London has about 250 squares, crescents, gardens and terraces—"oases in a wilderness of brick and stone." Some are owned by the London county council, others by the city corporation and a few of the borough councils. Still others are privately owned.

Billy: "I'm worried about my girl; she's going around a lot with that new doctor."

Silly: "Sall right—feed her an apple a day."

Nor folks, if it's a question of "keeping the doctor away," we suggest the use of GOOD COAL—BLUE DIAMOND COAL. It produces the maximum amount of heat and leaves your furnace clean. It keeps away the chills and that reacts on the doctor.

Get ready for the Iosco County Fair, September 13, 14, 15 and 16.

We carry feeds, cracked corn, coarse corn meal, corn and oat chop, ground oats, ground rye, Hexite dairy feed at \$2.25 per 100, old process oil meal, cotton seed meal, meat scraps, scratch feed, \$2.60 per 100, 25 lb. sack for 65c.

A deaf woman sat down in a seat well to the front of the church and adjusting her ear trumpet settled herself to listen to the sermon. The sexton tiptoed up and leaning over her whispered, "One foot and out you go."

Order your coal now as it will be higher next month. We carry the famous Blue Diamond

coal because it is high in heat voltage and low in ash. That is why everyone wants Blue Diamond coal.

The problem of every poultry raiser is to produce more eggs from fewer hens. And that depends on proper feeding more than on any other single factor. Tawas Scratch Feed solves the problem.

"Don't Worry" makes a better motto when you add the word "Others."
