Say---But Those Figures Look GOOD

You may not have heard such an exclamation, but you have seen it on the countenance of folks at the tellers window, perhaps many times.

At first it "pinched" him a bit to deposit five dollars every pay day. But soon he realized how easy it was to get along without the "five". Putting it away became a habit with him. Then when 4 per cent interest was added to his total--gosh, but it looked good --- no wonder he smiled.
