THE MESSAGE OF JOHN THE BAPTIST

LESSON TEXT—Luke 3:3, 8-17, 21, 22.
GOLDEN TEXT—Bring forth, therefore, fruits worthy of repentance.—Luke 3:8.

Four centuries of silence! God made a loving appeal to His people through Malachi, the prophet (see lesson of June 23), but they failed to respond, and for about 400 years no prophet had appeared with an authoritative message from God. But now "God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets" was ready in the "last days" to speak by "his Son" (Heb. 1:12). Before the Lord should come, however, the prophet Isaiah (40:3-5) had declared that a voice was to come out of the wilderness to cry, "Prepare ye the way of the Lord." The great honor of that ministry did not fall upon the religious or political leaders mentioned in Luke 3:1, but "the word of God came unto John . . . in the wilderness." When God calls a preacher, something vital and interesting is about to happen.

I. The Preacher—His Call and Character.

It is significant that the call of God for this ministry passed by the mighty of Rome, which was politically powerful, holding sway over the world of its day. It is doubly significant that it passed by Jerusalem, the religious center of the Jewish nation. God was not looking for influence, prestige, or position. He was looking for a man, and He found him, though He had to seek him in the wilderness. Where is God's man for our day?

The character of John is revealed to us by Scripture as unique and rugged. He was a striking figure as he came suddenly out of the wilderness, but the outstanding qualification of John was that he was humble and obedient to God's will. Upon such a man the power of God may fall in all its fullness.

II. His Message—Its Nature and the Reaction (vv. 3, 8-14).

Repentance, as evidenced by baptism, this was John's word to his day. He did not grant them absolution from their sins, but in repentance they were to look forward to the cleansing from sin by the washing of the blood of Christ who was to come. John was the forerunner of Christ. His message of repentance was a preparation for the coming message of redemption.

The reaction of the people is expressed in the question, "What must we do?" Much more would be accomplished for Christ in our day if that were the response of people to the preaching of the truth. Instead of criticizing or commending the preacher, or the sermon, let us ask, "What shall I do about it?" and then let us do it.

The answer of John was that each one should, by his works, show the reality of his repentance in the details of his daily work and life. Of course, the all-important thing is that a man should believe in Christ, and by faith receive Him as Saviour, but that faith must show itself in daily living or it is meaningless, and, in fact, nonexistent. The world is full of those who need to answer our Lord's own question, "Why call ye me Lord, Lord, and do not the things which I say?" (Luke 6:46).

III. His Ministry to Jesus—the Baptism and Heavenly Response (vv. 15-17, 21, 22).

The forthright honesty and the humility of John appeared in his immediate correction of the people's mistaken idea that he was the Christ. He made clear that his baptism with water, indicating their change of mind concerning sin, would only have real meaning as the coming One—his Lord and ours—would change their natures by the baptism of fire and of the Spirit.

Jesus, who knew no sin of which to repent, took the place of a penitent sinner and was baptized by John. Thus He, the sinless One, entered upon His public ministry and His work of redemption by taking the place of fallen humanity. What infinite grace and condescension!

As He prayed, after John had baptized Him, the heavens opened and the Holy Spirit, taking the form of the gentle dove, rested upon Him. God the Father spoke forth heaven's estimate of our Saviour; He was declared to be the "beloved Son" of God, in whom the Father was "well pleased."

This attestation of His divinity and recognition of His spotless life and character was for Him, but not for Him alone. It speaks to us, even as it has spoken to all men through the centuries, of the One who is Saviour and Lord. "He is able also to save them to the uttermost that come unto God by him, seeing he ever liveth to make intercession for them. For such an high priest became us, who is holy, harmless, undefiled, separate from sinners, and made higher than the heavens" (Heb. 7:25, 26).

What Is a Gentleman?

The question: "What is a gentleman?" has no doubt been asked thousands of times and answered in scores of ways. To describe anybody as a gentleman seems to mean anything and nothing.

On reference forms of various kinds a man's occupation is often defined as "gentleman," meaning that he is in no business and is retired. Which, of course, is ridiculous. The curious part of it is that to speak of a man as being "no gentleman" usually means something quite definite! Perhaps the best definition of a gentleman ever propounded is: "A person in whose company no one is uncomfortable."

Why Let Yourself Get Constipated?

Why endure those dull headachy days due to constipation, plus the inevitable trips to the medicine chest, if you can avoid both by getting at the cause of the trouble? If your constipation, like that of millions, is due to lack of "bulk" in the diet, the "better way" is to eat Kellogg's All-Brain.

This crunchy toasted breakfast cereal is the ounce of prevention that's worth a pound of emergency relief. It helps you not only to get regular but to keep regular, day after day and month after month, by the pleasantest means you ever knew.

Eat Kellogg's All-Brain regularly, drink plenty of water, and see if you don't forget all about constipation. Made by Kellogg's in Battle Creek. If your condition is chronic, it is wise to consult a physician.

MICHIGAN WINDSTORMS CAUSE LOSSES LIKE THIS!

We can't predict where the next Michigan windstorm will strike! It may strike your community! It may strike elsewhere! But we can predict, with absolute certainty, that Michigan will suffer thousands of dollars of windstorm damage in 1940 as surely as it did in 1939! State Mutual's claim payments, annually, for 43 years prove this conclusively!

Are you prepared, financially, to rebuild your home, barn, silo, windmill or implement shed . . . if it's demolished by a windstorm? Few people are. But everybody can protect himself from such a fate! Everybody can afford to pay \$1.50 per year for \$1,000.00 worth of windstorm protection . . . from the reliable, time-tested State Mutual Cyclone Insurance Company. Don't wait 'til it's too late! Insure now!

The uninsured house, pictured above, was wrecked by a Michigan windstorm last year. A policy with State Mutual, costing \$4.50 a year, would have afforded complete protection. AMERICAN BOY IS COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.
"It's as much a buddy to me as my neighborhood chum" writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."
Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from famous coaches or players. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.
Teachers, librarians, parents and leaders of boys' clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.
Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce THE AMERICAN BOY, the sort of reading matter boys like best.
THE AMERICAN BOY sells on most newsstands at 25c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign and Canadian rates 50c a year extra. To subscribe simply send your name, address and remittance direct Second Blvd., Detroit, Michigan.

MECHANIZED PREPAREDNESS

Mechanized and motorized forces are essential to telephone preparedness. In Michigan there are 1,275 telephone trucks and cars — most of them equipped with tools, power units and material. Their day-by-day work may not seem dramatic. But in time of emergency . . . flood, tornado, sleet storm . . . these mechanized forces can be mobilized like an army. For instance, following the 1938 hurricane in New England, Michigan's trucks and trained crews worked side by side in the storm area with others from as far west as Nebraska. Mechanized preparedness is but one of many reasons why this Company is ready to do its part in the program of national defense.

GET VITAMINS YOU NEED...

AS YOU REFRESH YOURSELF!

Oranges can help you to feel your best

When you want refreshment, eat an orange! Or help yourself from the big family pitcher of fresh orangeade! "Hits the spot"! you'll say.

But that's not all. Oranges add needed vitamins and minerals to your diet. And fully half of our families, says the Department of Agriculture, do not get enough of these health essentials to feel their best!

The best way to be sure of getting all the vitamin C you normally need is to drink an 8-ounce glass of fresh orange juice with breakfast every morning. You also receive vitamins A, B, and G and the minerals calcium, phosphorus and iron.

There's nothing else so delicious that's so good for you. So order a supply of Sunkist Oranges next time you buy groceries. They're the pick of California's finest oranges.
