

Hunters' Helpers

As far back as human knowledge goes, man has been using certain members of the animal kingdom to help him hunt other members. The most familiar example, of course, is the dog, which is used in many ways: Fox hunting, deer hunting, and so forth. But there are many other examples not quite so familiar, some of which are shown in the accompanying series of photos.

Before the present war, Germans attempted to revive the sport of falconry on a large scale. Photo (left) shows a soldier falconer removing the victim (a rabbit) from the talons of the feathered hunter after a kill.

Hold that tiger! The big striped cat is easy to hold now, for he is dead, and is being loaded on a carrier elephant. The hunt was held on the vast jungle estate of the Maharajah of Gwalior, in India, in honor of former British Viceroy Lord Reading.

Right: The end of a cheetah hunt. The animal, streamlined member of the cat family, is trained to hunt deer. Human stalkers "spot" the deer and head it in the direction where the best run will give most entertainment to the hunters. Then a cheetah is turned loose. After that it is but a matter of time.

Picture Parade

A Chinese fisherman off on an expedition with his six cormorants. He puts an iron ring around the neck of each bird, to which is attached a light line. The ring prevents the bird from swallowing his catch, and the line keeps the bird under control.

One of the most ancient of sports is stag hunting. This photo was made during a stag hunt at the estate of the Count de Vibraye, near Paris. The stag attempted to swim the Cosson river, but the hounds cornered him for the kill.

A sunset scene in "good ducking" country. The hunters blaze away from their battery in the midst of their decoy flock.

Household News

THIS PUDDING FAIRLY SHOUTS "TRY ME!"
(See Recipes Below)

ADD ONE CUP OF IMAGINATION

Once upon a time a friend told me that to her the addition of "one cup of imagination" was the most important ingredient that could be used in any recipe. So wholeheartedly do I agree with her that today I want to give you a number of recipes to which that ingredient, imagination, has been added. In fact, so successfully has this been done that each of these recipes is different, yet each is delicious — each fairly shouts "Try me!"

These recipes, moreover, have been chosen as luncheon favorites because, of all of the meals of the day, the family luncheon some way seems to be most neglected.

Take the baked apricot and tapioca pudding for example; have you ever before thought of serving a coffee sauce with such a pudding? Yet the blend of flavors which results from combining this particular pudding with this particular sauce is really delicious — long to be remembered.

Sausage Stand-Up

(Serves 4 to 6)

1 8-ounce package spaghetti (broken small)
1 pound breakfast sausages
¾ cup minced onion
1 clove garlic (minced)
4 tablespoons parsley (finely chopped)
1 can tomato paste (6-ounce)
1 cup water
1 ¼ teaspoons salt
¼ teaspoon pepper
½ teaspoon sugar
¾ cup grated cheese

Cook broken spaghetti in boiling water (6 cups) (1 teaspoon salt per quart water) until tender, about 20 minutes, then drain. Place sausages in skillet, add ¼ cup of water and cook until nicely browned, about 15 minutes. Saute onion, garlic, and parsley in sausage fat for 5 minutes, until onions are yellow and transparent. Remove from fat and combine with tomato paste and seasonings. Combine spaghetti with tomato sauce and turn into buttered casserole. Tuck sausages into spaghetti in upright position, so that just the end of each sausage shows. Sprinkle grated cheese over top and bake in moderate oven (350 degrees Fahrenheit) for 20 minutes.

Baked Apricot and Tapioca Pudding

(Serves 6 to 8)

½ cup pearl tapioca
½ cup evaporated apricots or 2 cups canned apricots
½ cup sugar
¼ teaspoon salt
2 teaspoons lemon juice
3 cups warm water
1 tablespoon butter

Soak pearl tapioca in cold water, to cover, for one hour. Wash apricots and place in a well-greased 1 ½-quart heat-resistant glass casserole. Add sugar, salt, lemon juice and warm water. Drain tapioca; stir it into the fruit mixture in casserole and dot with bits of butter. Cover the dish and bake in a moderate oven (350 degrees Fahrenheit) for 1 hour or until the tapioca parts are translucent. Cool, top with whipped cream, if desired, and serve with coffee sauce.

Coffee Sauce

½ cup sugar
1 ½ tablespoons cornstarch
½ teaspoon salt
1 cup hot coffee, regular strength
2 tablespoons butter
¼ teaspoon nutmeg, if desired

Blend sugar, cornstarch and salt in the upper part of a 1-quart heat-resistant glass double boiler. Add coffee and cook until it thickens, stirring constantly. Blend in butter and nutmeg. Cool and serve with apricot and tapioca pudding.

Hot Dogs in Blankets

When baking fresh yeast rolls, wrap strips of the dough around vieners, allowing the ends to stick out of their dough blanket. Give the dough time to double in bulk and bake as usual. These hot dogs in

blankets should be served piping hot.

My Style Spaghetti

(Serves 5 to 6)

½ cup olive oil
1 small onion, chopped
1 green pepper, seeded and chopped
1 pound ground beef
1 ½ teaspoons salt
1 cup tomato puree
1 tablespoon Worcestershire sauce
½ cup grated cheese
1 cup canned corn
½ package spaghetti, cooked

Heat olive oil in frying pan and add onion, green pepper and ground beef. Fry until brown and then add the salt, tomato puree, and Worcestershire sauce. Stir in the grated cheese together with the corn and cooked spaghetti. Place in buttered baking casserole and bake in a moderate oven (350 degrees Fahrenheit) for approximately 40 minutes.

Honey All-Bran Spice Cookies

(Makes 2 ½ dozen cookies)

¼ cup shortening
½ cup honey
¼ cup sugar
1 egg
1 cup All-Bran
1 ½ cups flour
½ teaspoon salt
1 teaspoon baking powder
¼ teaspoon soda
½ teaspoon cloves
1 teaspoon cinnamon
1 cup seedless raisins

Blend shortening, sugar and honey thoroughly. Add egg and beat until creamy. Add bran. Sift flour once before measuring. Add salt, baking powder, soda, cloves and cinnamon. Combine with raisins. Add to first mixture and beat well. Drop dough by teaspoons on lightly greased baking sheet about 2 ½ inches apart. Bake in moderate oven (350 degrees Fahrenheit) about 12 to 15 minutes.

Cheese Soup With Rice

(Serves 5)

1 cup cooked carrot (very finely diced)
4 cups milk
1 tablespoon chopped onion
2 tablespoons butter
2 tablespoons flour
1 cup grated cheese
2 tablespoons chopped pimiento
2 egg yolks
1 teaspoon salt
¼ teaspoon white pepper
½ cup rice (cooked)

Add carrot and onion to milk and scald. Melt butter in saucepan, add flour and blend to a smooth paste. Add milk gradually to flour mixture, stirring all the time. Add cheese, salt and pepper, stirring until cheese is melted. Pour over well-beaten egg yolks, stirring constantly. Serve at once with spoonful of hot cooked rice.

Mexican Spaghetti

(Serves 8 to 10)

½ pound spaghetti
1 can peas (No. 2)
½ pound raw ham (ground)
½ pound American cheese (grated)
1 can tomatoes (No. 2)
½ cup green pepper (cut fine)
1 tablespoon pimiento (cut fine)
2 tablespoons butter (melted)
1 teaspoon paprika
1 teaspoon salt
½ teaspoon pepper

Bacon strips

Cook the spaghetti in boiling, salted water. Drain. In a baking dish arrange layers of spaghetti, peas, ground ham and cheese and combine tomatoes, green pepper, pimiento, butter, and seasonings. Pour over the spaghetti. Cover with grated cheese and top with bacon strips. Bake in a moderate oven (350 degrees Fahrenheit) for one hour.

Refrigerator Hamburgers

(Serves 5)

1 pound hamburger
2 tablespoons finely minced onion
¼ cup chopped green pepper
1 teaspoon salt
1 tablespoon prepared mustard
1 tablespoon horseradish

Mix all ingredients together, and shape into a roll 2 ½ inches in diameter. Let stand in the refrigerator several hours or over night. When ready to use, cut in slices ¾ inch thick and fry or broil as for regular hamburgers.

INSURE WITH A Strong COMPANY!

OVER \$500,000 LOSSES IN A SINGLE DAY!
NO SPECIAL ASSESSMENT NECESSARY!

The State Mutual Cyclone Insurance Company's foresightedness . . . in carrying insurance . . . is one of the reasons why State Mutual continues to grow year after year. On November 11, 1940, approximately 15,000 State Mutual policyholders suffered over \$500,000 in windstorm losses. All claims were paid promptly. No special assessment was necessary. The reason? Reinsurance absorbed \$300,000 of the claims. You're sure you're completely protected when you're insured with State Mutual; you're sure, too, that your yearly assessment won't exceed 15 cents per hundred dollars (thanks to ample resources and reinsurance).

If You Read in Bed You'll Want This Bag

By RUTH WYETH SPEARS
THIS bag was planned as a hospital gift for someone who was finding days in bed difficult enough without having books, magazines, writing materials and spectacle case scattered about and forever getting lost. If you like to take an assortment of reading matter to bed, sick or well, you will enjoy a bag like this. Its hanger hook

may be sewed to box springs and there you are with everything at hand.

The bag shown here was made of a remnant of heavy cotton upholstery material in tones of green with a touch of red in the pattern. The red was repeated in the sateen lining. The sketch gives all the dimensions and shows how the lining and the outside part were made. A coat hanger was cut down to measure 12 inches from end to end and was placed between the lining and the outside; these being stitched together around the top, as illustrated.

NOTE: As a service to our readers Mrs. Spears has prepared a series of six booklets of her original ideas. Each booklet contains 32 home-making projects with illustrated directions. Booklets are numbered from 1 to 6, numbers 3 and 4 containing directions for other types of bags and door pockets that will make house-keeping easier. Booklets are 10c each and may be ordered direct from:
